### **5. THE REPORT**

- 5.1 The *Team Caerphilly – Better Together* transformation strategy endorsed by Cabinet in June 2019, highlights the importance of effective community engagement and the subsequently endorsed *Consultation and Engagement Framework 2020-2025* commits to promoting and supporting the principles of community empowerment and building resilient communities.
- 5.2 Community groups are increasingly playing a strong role in planning and delivering services that meet local needs, complementing those provided by public services. This community provision has a particular strength in developing innovative and flexible activities that are valued by local people and helps to build a real sense of community pride and cohesion.
- 5.3 The council is focussed on further strengthening the relationships between it and its communities – residents, businesses, voluntary and community groups. Caerphilly county borough benefits from a vibrant and engaged voluntary and community sector, which offers significant opportunity to maximise community participation.
- 5.4 In the council's recent far-reaching resident survey '*The Caerphilly Conversation*', 78% of respondents to that survey felt it was a positive suggestion to make a community budget available to residents, to enable them to do more things for themselves in future. 89% of respondents also agreed that offering incentives to communities would likely encourage them to take greater pride in their area.
- 5.5 In the council's budget setting for 2021/22, members approved a £328,000 annual funding allocation for a 'Community Empowerment Fund' to support community-led initiatives that complement and support those provided through public services. This allocation amounts to £4,490 per elected member per year.

5.6 The Community Empowerment Fund will enable communities to bid for funding in order to develop and deliver community-led initiatives that complement and support those provided through public services. Projects will aim to support communities to:

- Build community capacity
- Better understand and identify their local aspirations and priorities
- Make good use of existing assets, with the projects having the support of local communities
- Increase active inclusion and develop opportunities for enhanced engagement with groups that are more vulnerable and harder to reach
- Develop local assets, services and projects that respond to the needs of the people in their local communities
- Develop projects that are capable of becoming sustainable community projects
- Complement existing services in an area by providing additional activities

### 5.7 Grant management

Applications must be made by a non-profit organisation based within Caerphilly county borough. All organisations must have their own bank account in the name of the organisation.

For non-constituted community groups that have an interest in bidding into the fund, support in advance of submitting the application can be sought from the council's Caerphilly Cares team, to enable them to become a constituted community organisation.

In calculating allocations the £328,000 has been divided by 73 (the number of elected representatives within Caerphilly county borough), meaning an allocation of £4,490 per ward councillor. In wards where there are more than one ward councillor, the allocation is multiplied according to the number of ward councillors. For example, Penyrheol ward has four elected representatives, therefore the Penyrheol ward would benefit from an allocation of £17,960 (£4,490 x 4).

It should be noted that the Community Empowerment Fund allocation of £328,000 for Caerphilly county borough during 2021/22 is allocated to wards, and not directly to local ward councillors.

The maximum allocation available to an organisation/community group is £4,490 (in a single member ward). Approved projects in a single member ward where the total cost is less than £4,490, can be awarded a grant of up to 100% of the project costs (depending on the number of applications received in a particular application round).

Larger projects in a single member ward costing over £4,490 can receive a grant of up to the maximum amount (depending on the number of applications received in a particular application round), with the expectation that the remainder of the funding is sourced by the organisation/community group from other sources, or their own funding.

For multi member wards the ward councillors can choose to 'pool' their allocation to fund larger projects, up to the maximum amount that the ward members have agreed to pool (i.e. up to £8,980 in a 2 member ward, up to £13,470 in a 3 member ward). Ward members are not required to pool their allocation if they do not wish to.

Organisations/community groups may be offered less than the maximum amount if there are multiple applications from organisations or groups in individual wards in a single application round.

It is suggested that all applications are for a minimum of £1,000, which can be made up of a number of different items. No group/organisation can apply for a grant in consecutive financial years.

50% of the grant amount will be paid when the grant is approved. The remaining 50% will be released on receipt of the necessary financial records to show that the grant released on project approval has been spent in accordance with the original application form submitted. Invoices/receipts and bank statements will be required as evidence.

The Policy and Partnerships Team have considerable experience of managing and administering community grants, using the Grants to the Voluntary Sector Panel as a post-allocation reporting mechanism after officer delegated decisions against the agreed criteria. It is proposed that while elected members will act as 'sponsors' for bids, the management, administration and ultimate grant allocation of the Community Empowerment Fund will follow this established mechanism, with funding allocated via officer delegated decisions and information reports to Cabinet every six months.

Full details of eligibility and grant criteria to apply to the Community Empowerment Fund is included at Appendix One.

## 5.8 Application criteria

The council's recent resident survey '*The Caerphilly Conversation*' sought views on what the Community Empowerment Fund could be spent on, with eight priority areas emerging from the feedback, therefore forming the basis for the application criteria for projects:

- Environmental projects, including awareness of biodiversity and increasing community activity
- Projects that support greater community cohesion
- Projects that aim to tackle isolation and loneliness across the community
- Digital inclusion projects
- Projects to encourage greater physical and mental wellbeing
- Activities for young people/educational activities (non-statutory)
- Initiatives that promote and encourage community safety
- Supporting community groups to establish

Funding would be utilised to support communities to become more sustainable and resilient, which also supports the principles of the council's newly established *Caerphilly Cares* model for service delivery and the council's Place Shaping and Wellbeing Framework.

Applicant organisations will be required to evidence the need for their project or activity and the lasting benefits it will provide for the local community. Full application criteria for the grant can be found at Appendix One.

## 5.9 The role of elected members

As highlighted at section 5.5 of this report, the £328,000 annual allocation to the Community Empowerment Fund amounts to the equivalent of £4,490 per elected ward councillor per year. In wards where there is more than one elected ward councillor, communities can choose to combine their funding allocation, to enable larger scale projects to be undertaken.

Local ward councillors have a key 'sponsor' role in the roll out of the fund and in the subsequent development of community projects.

Bids for funding from the Community Empowerment Fund must have support in writing from their local elected ward councillor prior to submission, and members must consider any potential conflicts of interest before 'sponsoring' any application.

Councillors will also be encouraged to consider:

- Carrying out community engagement activity to raise awareness of the fund across their ward area
- Discuss priorities within their local area with their constituents and seek agreement and support for these priority areas in supporting groups to bid to the Community Empowerment Fund
- Work alongside other ward councillors and local organisations where possible on joint projects, where co-funding becomes the enabler for delivery
- If projects require resources, or ongoing commitment e.g. maintenance from a council service areas, agreement must be received in writing from the relevant service area(s) before the project is approved.

Supplementary community engagement guidance for local ward councillors in relation to the Community Empowerment Fund can be found at Appendix Two.

In addition, virtual training opportunities for elected members will be available over the summer in areas of public engagement including community involvement, coproduction and participatory budgeting, which will help inform conversations with community members in prioritising ward-level projects.

## 5.10 Conclusion

Community groups are increasingly playing a strong role in planning and delivering services that meet local needs, complementing those provided by public services. This community provision has a particular strength in developing innovative and flexible activities that are valued by local people and help to build a real sense of community pride and cohesion.

Feedback from residents through the '*Caerphilly Conversation*' resident survey has been instrumental in shaping the remit of the Community Empowerment Fund, enabling communities to feel empowered in the design of local services and the things that affect them.

It is considered that the implementation of the Community Empowerment Fund supports the principles of community empowerment, as outlined in the council's *Consultation and Engagement Framework 2020-2025*.

The Community Empowerment Fund will be reviewed after 12 months in order to review take up of the fund to date and to identify and mitigate against any emerging

barriers to the scheme.

## **6. ASSUMPTIONS**

- 6.1 This report has been written with the assumption that ongoing annual funding will be available to support the Community Empowerment Fund.

## **7. SUMMARY OF INTEGRATED IMPACT ASSESSMENT**

- 7.1 A full Integrated Impact Assessment has been completed and submitted alongside the development of this report.
- 7.2 The premise of the Community Empowerment Fund is to engage with and empower residents to do more for themselves in future. Feedback from 'The Caerphilly Conversation' resident survey has been instrumental in the development of this fund; with 78% of respondents indicating they felt it is a positive idea to make a community budget available to residents. Feedback on how the funding should be spend has also been key in developing the criteria for submitting a bid.
- 7.3 As already highlighted, projects would aim to support communities to:
- Build community capacity
  - Better understand and identify their local aspirations and priorities
  - Make good use of existing assets, with the projects having the support of local communities
  - Increase active inclusion and develop opportunities for enhanced engagement for groups that are more vulnerable and harder to reach
  - Develop local assets, services and projects that respond to the needs of the people in their local communities
  - Develop projects that are capable of becoming sustainable community projects
  - Complement existing services in an area by providing additional activity

## **8. FINANCIAL IMPLICATIONS**

- 8.1 As per section 6.1, this report was written with the assumption that ongoing annual funding will be available to support the Community Empowerment Fund from 2022/23 onwards.

## **9. PERSONNEL IMPLICATIONS**

- 9.1 The council's Policy and Partnerships Team have considerable experience of running and administering community grant initiatives. While capacity to manage the Community Empowerment Fund bids would be a relevant consideration particularly given the two-tiered approach to funding allocation (50% on approval, 50% on completion), it is thought that implementing a minimum £1,000 amount on

applications to the fund would be appropriate for administering the fund within current resources.

## **10. CONSULTATIONS**

10.1 This report has been sent to the consultees listed below and comments received are reflected in this report.

10.2. In addition, the report was considered at a meeting of Policy and Resources Scrutiny Committee on 23<sup>rd</sup> June 2021.

Members were provided with an overview of how the CEF will work and advised that it is planned to review the procedures after 12 months.

The scrutiny committee sought further clarification on the types of projects that would be successful under the criteria and were advised that the criteria has been developed and is based upon the feedback received from communities. Community groups can apply and will be encouraged to broaden the projects they submit to include wider aspects and areas.

Members were advised that ward Members will have a pivotal role in considering what projects they will endorse to ensure they keep within the allocated funding for their area. Members sought advice on how they would prioritise when there are a number of potential projects and limited funding. It was suggested that Members could consult with ward colleagues, if applicable, and also consult their communities to see which projects have most support.

Members sought advice on how they can support applications for funding where they may be involved in management/running of the organisation submitting the bid. This may be a particular issue for single member wards. The scrutiny committee were advised that the process includes a 'Declaration of Interest' process, whereby any member can declare their interest when endorsing a bid. If it is a multi-member ward they could also ask a ward colleague to endorse the bid. The expectation is that in multi-member wards, that Members will work together for the benefit of the whole community.

The scrutiny committee referred to the restriction in the policy that prohibits organisations from submitting bids in consecutive years and queried whether this is detrimental to smaller wards that have fewer organisations. Members were advised that smaller wards also have proportionately less money, and this may result in fewer successful bids, due to prioritisation. It is planned to review this procedure after 12 months, and any barriers to access for organisations in smaller wards can be identified in that review.

The scrutiny committee endorsed the recommendations in the report.

## **11. STATUTORY POWER**

11.1 Equality Act 2010 and Equality Act 2010 (Statutory Duties) (Wales) Regulations 2011. One of the specific duties covers matters of engagement.

## Community Empowerment Fund - Application Criteria

### Purpose of the Grant

Caerphilly County Borough Council is committed to supporting communities to become strong and resilient, and recognise that one of our county borough's greatest assets is the thriving network of local community groups and organisations across the area, particularly so in light of the Covid pandemic.

This grant scheme has been created to enable communities to develop and deliver projects aimed at meeting the needs of their residents. Key to this will be the involvement of local elected members as one of the key contact points in local communities, who will work with and support local community groups to develop project ideas that meet identified need on a ward basis.

The Council's budget setting for 2021/22 includes a £328,000 annual funding allocation for a 'Community Empowerment Fund' to support community-led initiatives that complement and support those provided through public services.

In calculating allocations the £328,000 has been divided by 73 (the number of elected representatives within Caerphilly county borough), meaning an allocation of £4,490 per ward councillor. In wards where there are more than one ward councillor, the allocation is multiplied according to the number of ward councillors. For example, Penyrheol ward has four elected representatives, therefore the Penyrheol ward would benefit from an allocation of £17,960 (£4,490 x 4).

It should be noted that the Community Empowerment Fund allocation of £328,000 for Caerphilly county borough during 2021/22 is allocated to wards, and not directly to local ward councillors.

Projects will aim to support communities to:

- Build community capacity
- Better understand and identify their local aspirations and priorities
- Make good use of existing assets, with the projects having the support of local communities
- Increase active inclusion and develop opportunities for enhanced engagement for groups that are more vulnerable and harder to reach
- Develop local assets, services and projects that respond to the needs of the people in their local communities
- Develop projects that are capable of becoming sustainable community projects
- Complement existing services in an area by providing additional activity

## Who can apply?

Projects must be managed by a non-profit organisation based within Caerphilly county borough, of one of the following types:

- (i) Unincorporated voluntary/community organisation or club with an adopted constitution or rules (an agreement between a group of people who come together for a reason other than to make a profit e.g. voluntary group or sports club)
- (ii) Charities or Charitable Incorporated Organisations (CIOs) registered with the Charities Commission (these can be new or existing charities)
- (iii) Community organisations who are Companies Limited by Guarantee (CLG) with no share capital and are registered with Companies House (company is owned by guarantors and any profits are re-invested to help promote the non-profit objectives of the company)
- (iv) Community Interest Companies (CICs) which are not established or conducted for private gain: any surplus or assets are used exclusively for the benefit of the community (designed for social enterprises that want to use their profits and assets for the public good)

***Please note: All organisations must have their own bank account in the name of the organisation. If the organisation does not currently have a bank account, this must be addressed before a formal grant offer can be made.***

The following types of organisations will not be funded:

- (i) Any commercial/trading or profit-making organisations where the profits are shared amongst the Directors, shareholders or members
- (ii) This list is not exhaustive

## What can be funded?

The council's recent resident survey 'The Caerphilly Conversation' sought views on what the Community Empowerment Fund could be spent on, with seven priority areas emerging from the feedback, therefore forming the basis for the application criteria for projects:

- Environmental projects, including awareness of biodiversity and increasing community activity
- Projects that support greater community cohesion
- Projects that aim to tackle isolation and loneliness across the community
- Digital inclusion projects
- Projects to encourage greater physical and mental wellbeing
- Activities for young people/educational activities (non-statutory)
- Initiatives that promote and encourage community safety
- Supporting community groups to establish

Applicant organisations will be required to evidence the need for their project or activity and the lasting benefits it will provide for the local community.

## **What cannot be funded?**

- (i) Usual running costs of any organisation e.g. rent, utilities, insurance etc. The only exception to this is where organisation's have been formed in the six months prior to an application being made, where they can apply for one-off start-up costs.
- (ii) Subsequent grants for the same project or activity (by this we mean that any new application must be for activity substantially different to previous applications)
- (iii) Retrospective costs for any project i.e. costs for work already undertaken or equipment and/or materials that have been purchased or ordered prior to a formal grant offer being made and the Terms & Conditions of the grant being signed and submitted. If using a tender process, tenders cannot be awarded prior to a grant approval being made
- (iv) This list is indicative only and is not exhaustive

## **When can an application be submitted?**

The closing date for the first round of the grant scheme will be 31<sup>st</sup> October 2021. Subsequent rounds will be dependent upon there being funding remain in the relevant ward pot, i.e. if all the funding in a particular ward is allocated in the first round there will be no further grant rounds for that ward in that financial year, however, there may be further application rounds in other wards. Applicants will be informed of the outcome of their application approximately 6-8 weeks after submission, depending on the total number of grants submitted in each round overall.

Applicants cannot apply for further grants in successive years i.e. if a successful application is made in the 2021/22 financial year (i.e. between 1<sup>st</sup> April 2021 and 31<sup>st</sup> March 2022), the applicant cannot make a further application until 1<sup>st</sup> April 2023 at the earliest.

## **How much can be applied for?**

The maximum allocation available to an organisation/community group is £4,490 (in a single member ward). Approved projects in a single member ward where the total cost is less than £4,490, can be awarded a grant of up to 100% of the project costs (depending on the number of applications received in a particular application round).

Larger projects in a single member ward costing over £4,490 can receive a grant of up to the maximum amount (depending on the number of applications received in a particular application round), with the expectation that the remainder of the funding is sourced by the organisation/community group from other sources, or their own funding.

For multi member wards the ward councillors can choose to 'pool' their allocation to fund larger projects, up to the maximum amount that the ward members have agreed to pool (i.e. up to £8,980 in a 2 member ward, up to £13,470 in a 3 member ward). Ward members are not required to pool their allocation if they do not wish to.

Organisations/community groups may be offered less than the maximum amount if there are multiple applications from organisations or groups in individual wards in a single application round.

It is suggested that all applications are for a minimum of £1,000, which can be made up of a number of different items.

## **Estimates/quotes**

Applicants must submit comparable estimates/quotes to support their application. A minimum two written estimates/quotes are required for every item listed in the 'Financial Details' section of the application form.

Estimates/quotes must be itemised, detailed and comparable (in terms of measurements, rates, quantities, specification etc.). They must also detail VAT where applicable.

Any grant offered is made on the basis of the cheapest quote provided. Applicants can choose a more expensive supplier or contractor to complete the work or provide goods/services, but this will be at the applicants' cost.

## **Payments**

50% of the grant amount will be paid when the grant is approved. The remaining 50% will be released on receipt of the necessary financial records to show that the grant released on project approval has been spent in accordance with the original application form submitted. Invoices/receipts and bank statements will be required as evidence.

## **Project timescales**

All approved projects must be completed within 18 months of the date of the formal offer letter. The funding for any projects not completed within this timescale will be automatically withdrawn.

After six months of the first tranche of funding being released, if an organisation has not made progress in undertaking the project (or is unable to offer an adequate explanation for not doing so), no further grant funding will be released and we will seek to recover the funding already paid.

### Community Empowerment Fund – Community engagement guidance for local councillors

#### Overview:

Caerphilly County Borough Council is committed to supporting communities to become strong and resilient, and recognise that one of our county borough's greatest assets is the thriving network of local community groups and organisations across the area, particularly so in light of the Covid pandemic.

This grant scheme has been created to enable communities to develop and deliver projects aimed at meeting the needs of their residents. Key to this will be the involvement of local elected members as one of the key contact points in local communities, who will work with and support local community groups to develop project ideas that meet identified need on a ward basis.

This guidance document has been produced using insight from the council's Consultation and Engagement Framework 2020-2025 and the LGA's 'Councillor workbook: neighbourhood and community engagement' as a handy tool for local councillors in their key role in supporting the facilitation of the Community Empowerment Fund.

#### Consultation and Engagement Framework 2020-2025

This key strategic document was endorsed by the council in February 2020 and states that:

"Through Team Caerphilly - Better Together, the council is committed to ensuring high quality, citizen focussed services for the communities that comprise our county borough. In future-proofing public services, we recognise the need to ensure effective engagement is central to our decision making - involving residents in the design of local services and the things that affect them.

In addition, we are focussing on further strengthening the relationship between the council and the community - residents, businesses, voluntary and community groups. Caerphilly county borough has a vibrant and engaged voluntary and community sector, which offers significant opportunity to maximise community participation".

The principles of engagement outlined in the document are that as a council:

- We will listen and understand
- Caerphilly county borough people will help inform and shape the decisions we make - and in turn we will keep people informed
- We will be inclusive and act with purpose
- We will make the most of what already exists in our communities
- Empower local residents to have greater influence over the issues that affect them

- Increase and strengthen the role of communities in how we live, work and visit Caerphilly county borough
- Help us to understand the needs of our communities which in turn, helps to ensure that the services we deliver meet those needs and that available resources are used effectively and in line with agreed priorities
- Ensure people are involved in the democratic process and enable communities to have greater input on issues that affect them
- Support communities to take action by helping them identify needs and support them in developing community-led solutions

### How did the Community Empowerment Fund come about?

In the council's far-reaching resident survey 'The Caerphilly Conversation', carried out during December 2020 and January 2021, respondents told us that 78% of felt it was a positive suggestion to make a community budget available to residents, to enable them to do more things for themselves in future. 89% of respondents also agreed that offering incentives to communities would likely encourage them to take greater pride in their area.

In direct response to this feedback, in the council's budget setting for 2021/22, members approved a £328,000 annual funding allocation for a 'Community Empowerment Fund' to support community-led initiatives that complement and support those provided through public services. This allocation amounts to £4,490 per elected member per year.

### What will the fund support communities to do?

The Community Empowerment Fund will enable communities to bid for funding in order to develop and delivery community-led initiatives that complement and support those provided through public services. Projects will aim to support communities to:

- Build community capacity
- Better understand and identify their local aspirations and priorities
- Make good use of existing assets, with the projects having the support of local communities
- Increase active inclusion and develop opportunities for enhanced engagement for groups that are more vulnerable and harder to reach
- Develop local assets, services and projects that respond to the needs of the people in their local communities
- Develop projects that are capable of becoming sustainable community projects
- Complement existing services in an area by providing additional activity

In calculating allocations, the £328,000 has been divided by 73 (the number of elected representatives within Caerphilly county borough), meaning an allocation of the equivalent of £4,490 per elected member. In wards where there are more than one elected member, the allocation is multiplied according to the number of ward councillors. For example – Penyrheol ward has four elected representatives;

therefore the Penyrheol ward would benefit from an allocation of £17,960 (£4,490 x 4).

### What is my role in all this?

As elected representative, you have a significant role to play in the successful delivery of the Community Empowerment Fund across your communities.

Community groups will require your 'sponsorship' (support) for their project idea prior to their application for funding being submitted, with the project(s) in question needing to meet the criteria outlined above.

Bids for funding from the Community Empowerment Fund must have support in writing from you, their local elected ward councillor prior to submission, and members must consider any potential conflicts of interest before 'sponsoring' an organisation's project.

Having listened to feedback from residents on how the funding should be spent across communities, projects should also address one or more of the following:

- Environmental projects, including awareness of biodiversity and community projects
- Projects that support greater community cohesion
- Projects that aim to tackle isolation and loneliness across the community
- Digital inclusion projects
- Projects to encourage greater physical and mental wellbeing
- Activities for young people/educational activities
- Initiatives that promote and encourage community safety
- Supporting community groups to establish

**Key to this will be the involvement of you as local elected members, as one of the key contact points in local communities, to work with and support local community groups to develop project ideas that meet identified need on a ward basis.**

### Elected members and community engagement:

The LGA's 'Councillor workbook: neighbourhood and community engagement' states that:

'Ward councillors, as democratically-elected leaders representing their communities have a unique role to play in enabling the local engagement which will drive strong, connected communities – what we refer to as 'community engagement'.

'Ward members are in the front line of neighbourhood and community engagement. As a community leader, you are best placed to understand the particular challenges faced by your constituents. And working with a wide range of individuals and organisations in the area, you can help them to decide how best to respond.

'It is only at a local level that problems such as access crime, environmental concerns and anti-social behaviour can be understood and addressed. Few other community leaders have the mandate to coordinate different interests, reconcile diverse views and encourage open debate and dialogue in the way that you can.

The particular strengths and knowledge that you bring to this engagement process are:

- An understanding of your ward – the demographics, the key issues facing local people and the way that services are being delivered
- The representation of local voices – you are a channel of communication between the communities you serve and the council, representing the views of others and speaking up for the 'hard to reach' or 'seldom heard'
- Communicating and influencing skills – you can help to ensure that the views of local people are taken into account when decisions are made by the council or outside bodies

#### How can I support the roll out of the Community Empowerment Fund?

The Local Government Association's useful 'Councillor workbook: neighbourhood and community engagement' gives lots of useful advice on how you as local elected representatives can encourage greater engagement with your communities.

The document can be found here: [11 26 LGA Cllr Workbook Neighbour hood engagement workbook December 2016.pdf \(local.gov.uk\)](#)

In addition, councillors will be invited to attend a series of online training opportunities on 'Community Involvement', 'Community Empowerment' and 'Coproduction' throughout the summer months.
