Subject: FW: Shock Off Licence - Request to extend opening hours to 01:00am

Dear Sophie,

The pollution control team have considered correspondence received from the applicant (below) in respect of our representation made on the 19th November 2024. Unfortunately we do not consider the additional information provided by the applicant alleviates our concerns and thereby stand by our initial representation and are happy for the matter to be considered at a licensing committee hearing.

Best regards

Victoria Woodland
