Ensure estate cars are included not just saloons
I agree.
Na
I agree
10yr
I agree with age
I agree, with the proposal.
If you do you do not agree?
N/A
i agree with proposal
As above
Keep as it is
I do agree of revised age of car
I agree with the proposal
Up to 10 years
Keep the current 5 year limit for first registering taxis
Left the same unless a car been adapted
If there is a age limit to 8 years, then mots should be made 6 monthly.
I agree
if the 8 year old isn't going to work i would say just put it both to 10 years but with anything plated 9 years or above

Agree
Na
Yed 8 years be fair
Keep as existing
8 years would be a good choice when you look at cars available within that time frame.

8 YEARS WOULD BE GOOD CHOICE

Stay as we are.

None

Myself I agree

.

Wheelchair vehicles up to 10 years old as I have 2 and most of the time that's all they get used for remain the same

Because it makes it easier for customers

6 yrs

8yrs is an appropriate age.

This doesn't make sense. if you agree with the proposal then you'll have completed the previous question. Requiring

They should consider seriously for 8 yet old vehicles.

21 century cars are very smart strong built so 8 years is noting compared to cars 1970-80 etc.

yes I agree with 8 years.

I agree with the above statement

I agree with the above statement.

.

I agree

Not applicable

I agree with the changes above however I also think vehicles should meet some sort of emission standards in order to

AS REQUESTED 8 YEARS

Upto 10 years

I agree

Lower the age that vehicles need to be removed as taxis at 10 years as 99% of vehicles would be worn out by then

I'm agree

Na

10 years

I think the current age of 5 years is fair.

I agree

I agree with 8 years

Should be allowed to register car from 2015 years old cars

Yes I totally agree with it and think its actually needed for a lot of us smaller operators to have newer vehicles for eg

i don't know.

It is fine as it is
