*** A suggestion was received that a new polling district should be created within this ward close to the Finchley Road area as the electors in GC have to walk a long way to their polling station at the The Acol Bridge Club when they may be using the Finchley Road station to get to work. There are numerous different transport links in this area, and although this change may make it easier for some electors who may live close to this station, similar situations would still exist for other electors whom may be using other stations. No comments or requests have been received from residents and therefore no change to the arrangements are proposed at this time.*
