Please summarise below the key points you wish to make at the Council meeting (continue on a separate sheet if necessary):

We wish to make a deputation to the meeting of the Culture and Environment Scrutiny Committee on 6th Feb 2024.

At the meeting of the Culture and Environment Scrutiny Committee on 14/12/2023, we were asked by the Chair to bring an additional deputation to the meeting of this committee on 06/02/2024. This is because our previous deputation related in part to the transport strategy, and the transport strategy is due to be discussed at this meeting.

In our deputation we will:

- Give an update on any developments relating to motorcycles or anti motorcycle bias in the Council since the last deputation
- Talk about errors in the transport strategy as they relate to motorcycles and how these could be amended to better reflect the reality of motorcycle impact
- Talk about the potential negative impact to the Council's air quality and climate change goals of not amending the transport strategy and/or their policy approach to motorcycles

(see guidance notes overleaf)

GUIDANCE FROM THE COUNCIL'S [CONSTITUTION](#) *

Deputations and petitions

Anyone likely to be affected by a matter in which the authority has functions, or which affects that area of the authority, or some of it, or the inhabitants of that area, or some of them may ask that a deputation or a petition should be received by a meeting of the Council.

A deputation request should be made in writing to the Chief Executive (via the contact listed below) setting out the reason why the deputation should be received, by no later than 12noon, three working days before the meeting to which it relates.

The person making the deputation request shall indicate what the deputation is about, the number (no more than 7), names and addresses of the persons who will form the deputation, and the member of the deputation who will address the Council.

Requests to present petitions to Council will be considered in line with the Council's Petition Scheme (Part 5 of the Constitution).

The Mayor will decide whether the deputation or the petition is to be received or not, or whether the deputation or the petition should be heard by another body. In deciding whether or not to redirect a deputation or the petition to another body the Mayor will amongst other things consider whether the matter could benefit from an in-depth analysis which could not be provided at C council, whether it is of wide interest to the Borough and whether the deputation or the petition has already been aired recently at another Council body. A maximum of three deputations or petitions will be taken at each Council meeting with the Mayor deciding which to accept with an overall maximum time allocated to deputations and petitions of 30 minutes.

At the meeting

When called, the spokesperson or Petition Organiser may speak for three minutes. The Mayor will ensure that the remarks are relevant and that the speaker refrains from personal attacks.

Members may then ask questions of the deputation. Six minutes per deputation or petition is allowed for this, to include responses from the depute(s)/petitioner(s).

After the deputation or petition has been heard the appropriate Cabinet Member or committee chair may respond in a speech no longer than three minutes.

No deputation or petition may appear before the Council again within the next three months on the same or a similar subject.
