1. Introduction

1.1. This report sets out items that are proposed to be included on the agendas for future meetings of this Committee, and details of training opportunities for Members and officers to plan to stay informed on upcoming topics.

2. Agenda Forward Plan

- 2.1. An indication of quarterly meeting agenda items is set out in **Appendix 1** under Future Items for Consideration by the Committee.
- 2.2. The forward plan has been updated for items scheduled to be taken by Pension Committee in 2024 and beyond.
- 2.3. The **Pension Board** meets twice annually and last met on <u>16 April 2024</u>. The next scheduled meeting will be on 15 October 2024 at 3pm.
- 2.4. It has been agreed with the Chair and Vice-Chair that in future Pension Committee reports will also include 'Responsible Investor comments' similar to Finance and Legal Comment sections. These will highlight any RI or environmental, social and governance (ESG) implications and will draw out the impacts of any decisions and in reports for Members for clarity. Amendments to the Terms of Reference have been agreed by Audit and Corporate Governance Committee on 8 November and recently agreed by Council on 20 November.

3. Training

- 3.1. The list of past and future training events is provided in **Appendix 2** to both inform Members of potential training opportunities and to identify issues or topics which may require coverage. It should be noted that best practice emphasises the need for continuing training.
- 3.2. Good Governance Code will be introduced soon and this will reinforce Knowledge and understanding requirements. Some of the recommendations in that report are:
 - A single named officer for every fund
 - A conflicts of interest policy
 - All involved in the fund to read SAB guide to statutory and fiduciary duties
 - A voting rights policy
 - Knowledge and understanding requirements
 - S151 officers to do LGPS relevant training
 - Training plan policy
 - CIPFA to produce training modules for s151s
 - Roles and responsibility matrices
 - Administration strategy
 - Performance statement against service standards
 - Resource requirements for Funds are sufficient
 - Biennial independent governance review
 - Possible peer review process for funds

- 3.3. There was a training opportunity for all Members on 23 November 2023, on the affordable housing solution provided by London CIV. This was well attended by Committee Members.
- 3.4. Each quarter, officers send invites to various webinars and conferences and Members are reminded to check their emails regularly to take advantage of these opportunities. Members should let officers know if they do attend training so the training log can be updated.
- 3.5. Members of Pension Committee and Pension Board, as well as officers, have been enrolled on the Hymans LGPS online learning academy (LOLA). This includes modules on:
 - an introduction to the LGPS
 - Governance and Oversight
 - Administration and Fund management
 - Funding and Actuarial matters
 - Investments
 - Current events
- 3.6. Training is delivered via videos, with jargon-buster crib sheets and a quiz on each module. Completion can be tracked for each user so we can keep a record of which topics have been covered widely and which topics users need to focus on. The training meets the requirements of the Chartered Institute of Public Finance and Accountancy (CIPFA) Knowledge and Skills Framework and the Pension Regulator's Code of Practice.
- 3.7. At each committee we will update on training modules covered. To date 3 committee members have completed 6 modules.
- 3.8. Members should note that the online learning has been refreshed and there are more modules with shorter videos hopefully more digestible.

4. RESPONSIBLE INVESTOR COMMENT

4.1. Ongoing training helps the members of the Pension Committee to undertake their role more effectively and provides additional context to their decision-making for the Fund. This all aids informed decision making and an understanding of the complex issues that are involved in these decisions and helps to drive forward our approach to responsible investment.

5. ENVIRONMENTAL IMPLICATIONS

5.1 Further to the Responsible Investment Comment above, well-trained and informed members of the Pension Committee improve the Fund's ability to invest in line with our investment principles.

6. FINANCE COMMENTS OF THE EXECUTIVE DIRECTOR CORPORATE SERVICES

6.1 There are no finance comments to add.

7. LEGAL COMMENTS OF THE BOROUGH SOLICITOR

- 7.1 Members of the Pension Committee have legal responsibilities for the prudent and effective stewardship of LGPS funds and in more general terms, a clear fiduciary duty in the performance of their functions. Continuing training is key to ensuring Members are able to meet these responsibilities.
- 7.2 Whilst the Committee has agreed to participate in group training sessions once per annum, members should also endeavour to undertake further additional training where appropriate to ensure the effective performance of functions.
