A handwritten signature in black ink, appearing to read 'J. McGregor', is written over a light grey rectangular background.

Jess McGregor
Executive Director of Adults and Health
Date: 9th September 2024

1. Purpose of Report

- 1.1. The Health and Wellbeing Board's Terms of Reference require an update, firstly to allow the membership to elect a chair on an ongoing basis and secondly to remove instances of outdated terminology. These changes require an update to the Constitution and therefore need to be agreed by the Health and Wellbeing Board, the Audit and Corporate Governance Committee and full Council. The proposed schedule for these is as follows:
- 18th September 2024: Health and Wellbeing Board
 - 26th September 2024: Audit and Corporate Governance Committee
 - 14th October 2024: Full Council

2. Details of proposed updates

- 2.1. Paragraph 23 of the current Terms of Reference states that "Meetings will be chaired by the Leader of the Council or in their absence the vice chair or other Camden Councillor as the meeting may appoint for the duration of the meeting". This restricts the Board's ability to elect a Chair of its choosing beyond the duration of a given meeting. It is proposed to remove this provision and introduce a new provision that "The Board will elect a chair from amongst its membership at the first meeting of the municipal year to serve for the duration of that year".
- 2.2. Paragraph 10 refers in the future tense to a Citizens' Assembly that has now taken place. It is proposed that sentence 1 of paragraph 10 be updated to state "An initial Citizen's Assembly informed the development of the Camden Joint Health and Wellbeing Strategy and identified the priorities of local residents".

3. Finance Comments of the Executive Director Corporate Services

The Executive Director of Corporate Services has been consulted on the contents of the report and has no comments to add to the report.

4. Legal Comments of the Borough Solicitor

The comments of the Borough Solicitor are included in the report.

5. Environmental Implications

There are no environmental implications to the contents of this report.

6. Appendices

- 2.1 Appendix A – Proposed update to Terms of Reference
