1. Introduction

- 1.1. This report gives an overview of the content of the Safeguarding Adults Partnership Board (referred to as “SAPB” or “Board” hereinafter in this report) Annual Report for 2023-24, which is attached at Appendix A.
- 1.2. The Board is a statutory body composed of partner organisations that meet on a quarterly basis. SAPBs must have certain statutory agencies in their membership, with these defined as the local authority, police and the Clinical Commissioning Group. The membership also includes representation from non-statutory agencies, which in Camden includes members of the Voluntary Sector, London Fire Brigade (Camden), Probation, Camden & Islington Mental Health Trust and representatives from the major hospitals in Camden.
- 1.3. The aim of the Board is to oversee, assure, improve and co-ordinate how local partners safeguard and promote the welfare of adults with care and support needs. Operational aspects of the Board’s business plan and strategy are implemented through sub-groups, which partners lead and contribute to.

2. Purpose of the Report

- 2.1. The Board is required by law, under the Care Act 2014¹, to produce an annual report each year. The Care Act 2014 sets out a clear legal framework for how local authorities and other parts of the system should protect adults with care and support needs (referred to as “adults” hereafter in this report). The Board must:
 - Publish an annual report in line with specific requirements in the Care Act.
 - Develop and publish a 5-year Strategy Plan 2023-2028 setting out how the Board will meet its strategic duties and how members and partner agencies will contribute to it.
 - Meet on a regular basis and obtain assurances from all partner agencies of the work they are doing to safeguard vulnerable adults.
 - Arrange Safeguarding Adult Reviews for any cases which meet the criteria detailing the findings, recommendations, and learning.
- 2.2. Each year the annual report must be provided to:
 - The chief executive and the leader of the authority
 - The local policing body.
 - The local Healthwatch organisation for the local authority’s area and Chair of the Health and Wellbeing Board

3. Report Summary

¹ [Care Act 2014 \(legislation.gov.uk\)](https://www.legislation.gov.uk)

- 3.1. The report at appendix A has been produced to detail the Safeguarding Adults Partnership Boards effectiveness in safeguarding adults within the London Borough of Camden.
- 3.2. The report outlines the aims, objectives and progress made by the partnership, reflecting on challenged faces and lessons learned on the previous twelve months as well as looking to the year ahead.
- 3.3. This report looks at the priorities set, subsequent activities of the board and its partners commitments to the previous year's annual report and ongoing commitments to the five-year strategy.

4. Finance Comments of the Executive Director, Corporate Services

- 4.1. The Director of Finance has reviewed the report, and his comments have been incorporated.

5. Legal Comments of the Borough Solicitor

- 5.1. The The Care Act 2014 section 43(5) and Schedule 2 (4) requires the Safeguarding Adults Board to publish an annual report as soon as feasible after the end of each financial year to cover:
 - a) what it has done during that year to achieve its objective,
 - b) what it has done during that year to implement its strategy,
 - c) what each member has done during that year to implement the strategy,
 - d) the findings of the reviews arranged by it under section 44 (safeguarding adults reviews) which have concluded in that year (whether or not they began in that year),
 - e) the reviews arranged by it under that section which are ongoing at the end of that year (whether or not they began in that year),
 - f) what it has done during that year to implement the findings of reviews arranged by it under that section, and
 - g) where it decides during that year not to implement a finding of a review arranged by it under that section, the reasons for its decision.

6. Environmental Implications

- 6.1. There are no identified environmental implications from the contents of this report.
