

# Extend the Dartmouth Park LTN consultation deadline

Started 25 July 2024  
Petition to Camden and Islington Councils

Signed by **2,308** people,  
as at 1.40pm on 16 August 2024

# Extend the Dartmouth Park LTN consultation deadline

Started 25 July 2024

Petition to Camden and Islington Councils

**Signed by 2,143 people,**  
**as at 4pm on 15 August 2024**

# Why this petition matters

Started by Chair, Traffic, Transport and Travel, On behalf of DPHN Joint Action

The Dartmouth Park Healthy Neighbourhood is a planned Low Traffic Neighbourhood (LTN), extending from Highgate to Kentish Town and from Gospel Oak to Archway. Vehicles will generally not be able to pass through the area. It will impact service vehicles, residents, and businesses, especially those living on boundary and access roads.

Local residents, businesses and community are incensed by the timing of this "co-design" phase. Details of this highly complex scheme were published by Camden and Islington Councils on 8 July and shockingly the deadline for comments is 18 August, just six weeks during school holidays.

There is no data on types of vehicles, routes they take, times of day, congestion points or any traffic projections.

What will be the cycle and walking routes? Where are existing accident and speeding hot spots? For a plan that concerns health, there is no mention of pollution or any pollution data.

This consultation is described as a "co-design" phase, but co-design would involve taking time to explain the scheme, its purposes and benefits, and for residents and businesses to understand it and consider ways it could be improved. There is a risk of unintended consequences.

The Councils held three public meetings (now finished) but two of these lasted only 30 minutes and full capacity was quickly reached.

## **We need better.**

The timing and poor quality of the proposal suggest this is in name only. We're asking for an extension, explanation of the purpose and objectives and real consultation.

# Reasons for signing

**Jenny Pedler**1 day ago

As a 30+ year resident of DP Hill (Islington side between Bickerton Rd and Hargarve Park) I am appalled at these draconian plans being imposed on this area with seemingly little consultation or consideration of the needs of those of us who actually live here. The plans are incomprehensible as set out but seem to me that they will make my life worse not better.

**Hannah Pescod**1 day ago

I agree that we need more info and time outside of the school holidays before the community can decide whether or not it's good for the area. I am also concerned that disabled residents and visitors are rarely accounted for in these low traffic schemes, and it can be detrimental to their quality of life if they can't get around in a car. When I asked a rep from Islington Council about that re another low traffic scheme she had no answer and they hadn't thought about it at all.

**Robert West**1 day ago

It has become more and more apparent that the proposals have not been properly thought through and it would be inappropriate to curtail the opportunity for comment during the holiday period when so many people are away.

**Leonard Weinreich**1 day ago

this ill-considered scheme affects our access to Whittington Hospital and Archway.

**Sarah Montgomery**2 days ago

Proper consultation time and information is required.

**Rebeca Robrtson**2 days ago

Because is the right thing to do!

**Rosemary Seton**2 days ago

This complex proposal desperately requires more consideration.

**Miriam David**2 days ago

This directly impacts me living in Highgate and I don't understand the new plans

**Penelope Renney**2 days ago

This scheme will cause traffic jams and increased pollution in residential areas in Haringey. The lack of consultation with residents is disgraceful

**Steven Kenny** 3 days ago

Over bearing councils must listen to residents and communities. It is thier duty.

**Jason Welton** 3 days ago

Just another way to gain revenue from cameras at residents expense and create pollution going past William Ellis school parliament hill school and La Sainte Union obviously not safer cleaner streets for schools on Highgate road.

**Judith Bailey** 3 days ago

This needs time for residentscto have their say

**David Humphrys** 4 days ago

I do not believe the full impact on the lives of people living in this area has been thought about and will impact those living here for years to come!

**Andrew Owen** 4 days ago

the proposals are wide ranging and will impact most residents and visitors to the area. More time and information is essential to create an appropriate solution as this appears likely to make the situation worse rather than better for most residents.

**Kate Pettican** 4 days ago

the changes won't make a difference to the traffic in the area and in some instances will make it worse, especially along Highgate Road and backing down to Gospel Oak.

**Abby Cronin** 4 days ago

This is NOT a 'HEALTHY' Neighbourhood scheme. It is UNHEALTHY! ! By installing physical road blocks at the junction with Chester Road and Bramshill Gardens (BHG) and the Dartmouth Park Avenue junction with Dartmouth Park Hill, this will prevent access to and from Bramshill Gardens. How will residents, residents with Blue Badges, visitors, delivery vans, Veolia waste-management collections, builders, etc...gain access? If road blocks are installed it will be impossible to turn on the road. BHG is too narrow. To install road blocks in York Rise (junction with Chetwynd Road) will result in log-jams & have a negative impact on essential shops which are an important resource in our neighbourhood. REPEAT: This is an UNHEALTHY scheme!!!

**Rachna Kanwar** 4 days ago

I disagree with the proposed scheme

**Lizzie Georgiou** 4 days ago

We live in Highgate West Hill as do many others ! This scheme would be a disaster for us . The noise levels are already high and the pollution on our hill will be horrendous! STOP this scheme now

**Ashlie Davis** 5 days ago

I'm a local resident who will be heavily impacted. Use of a car for disability purposes.

**Sabine Grauel-Baumann** 6 days ago

This is a huge change and needs proper consideration!

**Andrew McGonigle** 6 days ago

I live on Highgate Road and know these proposals will increase traffic and pollution on Highgate Road. There are also three schools that will be affected by this. We need more consultation with local residents. We have already seen a negative affect on this area by removing the parking on Highgate Road and installing three roundabouts at the junction of Swains Lane. We have seen an increase in traffic particularly during the rush hour on the side streets, as drivers are now using these as a rat run to avoid traffic build up at the roundabouts. It has also impacted on parking in these side streets and residents are finding it more and more difficult to park. Especially at weekends and when the weather is nice. There are also a large number of café/restaurants here now which brings lots more people into the area all looking for somewhere to park.

**Gill Shepherd** 6 days ago

This has simply not been thought through.

**Zev Sam** 7 days ago

The council are able to their own do not give a damn about residents or businesses are selfish bastards and only there to take hard earned money without giving any thought for the people that matter and the business that will suffer as a result basically a bunch of self centred cunts

**Michelle Hall** 7 days ago

These changes have a negative impact which is being ignored by LBI

**Susana Liveras** 7 days ago

It should be more engagement with the local community which it will be directly affected. It is also a very hilly area, not easy to cycle or walk for all.

**Brian Zelly**7 days ago

There is not sufficient timr

**Rod Henwood**7 days ago

This proposal will cause significant logjams of traffic on previously quiet roads and will add to many routine journeys, increasing pollution

**Sally Griffin**7 days ago

It will affect access to the street in which i live and residents need to have some more time to input into proposals

**Karen Moody**7 days ago

This is another poorly thought through measure by the local authority. The damage by way of delays, additional pollution in other areas and difficulty for local disabled/disadvantaged people is not being considered. Nightmare for bus users too.

**Patricia Niclas**7 days ago

There is no data on types of vehicles, routes they take, times of day, congestion points or any traffic projections. What will be the cycle and walking routes? Where are existing accident and speeding hot spots? For a plan that concerns health, there is no mention of pollution or any pollution data.

**Ferhan azman**7 days ago

I am opposing to the proposals it will very badly affect the lives of many residents

**Sara Rance**1 week ago

As a resident I have not been informed of the proposals by Islington council and should have adequate notice to take part in a consultation process

**Belinda Wakefield**1 week ago

The consultation time us too short. Many are away on holidays.

**Kieran Terry**1 week ago

Islington is terrible for predetermined 'consultations' which are nothing more than a sham for predetermined proposals to be forced through I am a cyclist. These dreadful proposals do not help anyone. The LTN is far, far too big. Looking forward to the 2026 local elections

**wilma Cullen**1 week ago

People need to be consulted properly

**andie childs1 week ago**

I am a resident within the proposed LTN and have not been consulted about it at all!

**Angela Steele1 week ago**

I am signing because the proposed changes will make it very hard for me to travel to and from my home. I live in West Hill Park and the only access to my home is via Highgate West Hill. Highgate West Hill is already very busy, suffers from periodic roadworks and is a narrow road where buses and large vehicles already have problems passing. The proposed changes will result in increased traffic, poorer air quality and difficulties accessing West Hill Park.

**peter walton1 week ago**

The time allowed is insufficient for Serious study and consideration

**Catherine Graham-Harrison1 week ago**

The timing of this consultation is very ill judged & the period should certainly be extended until well after the start of the school term. The scheme appears to be over elaborate & unnecessary. Try walking through the area. There is not a problem except in Chetwynd Road at school run times. Timed bollards & problem solved!

**Kate Poulter1 week ago**

We need a consultation period that extends after the school holidays & more information about the plans as the current ones are sketchy at best.

**Jennifer Thompson1 week ago**

There is a shameful lack of data research and consultation to support this extension.

**Marj Morrison1 week ago**

Because the impact on the surrounding area and streets will be considerable and cause more congestion and pollution as has been experienced in other areas

**Maxine Sacks2 weeks ago**

This scheme will result in longer journeys. For example from Woodsome Road (where I live) to Spencer Rise currently requires two turns, right onto York Rise then left onto Spencer Rise. Under the new scheme it would require six left-hand turns: left down Highgate Road, left at Fortress Walk, left to drive up Fortress Road, left on Chetwynd Road, left again on York Rise then left on Spencer Rise. How does all this driving improve the quality of the neighbourhood?

**John Brodholt 2 weeks ago**

The proposal seems to only benefit Chetwynd Road at the expense of everyone who lives in the surrounding streets. It needs more thought as all it will do is displace traffic around a longer loop and make life more difficult those living in the surrounding streets which are almost all relatively quiet already.

**Catherine Budgett-Meakin 2 weeks ago**

This is being rushed through without consideration of Haringey, and other options (discouraging car use, and improving bus services).

**Lindsey MacDonald 2 weeks ago**

This proposal does nothing to reduce (or better still, pedestrianise) Highgate High St. Air quality outside St Joseph's Primary School not being cited and at risk of skyrocketing as Highgate Hill becomes a car park. Clear objectives and data required!

**Beth Lloyd 2 weeks ago**

I live in the area and will make traffic really bad along Highgate west hill

**Dan Savidge 2 weeks ago**

The plans are disruptive and unnecessary

**Claire d'Aboville 2 weeks ago**

I am signing this petition because the proposed Dartmouth Park Healthy Neighbourhood plan is seriously flawed. First of all, there is a lack of adequate data and transparency in the proposal. Traffic on the boundary roads is expected to increase significantly, yet these roads are overlooked in the analysis. Releasing the proposal on 8 July and setting a comment deadline of 18 August, right in the middle of the school holidays, is absolutely unacceptable. Residents need sufficient time to review the proposal, and understand the analysis. The repercussions of the increased traffic on Highgate Road, Highgate West Hill, Highgate Village, and North Hill are extensive. These roads already suffer from significant traffic, noise, and air pollution. Highgate West Hill, in particular, faces daily challenges from traffic-related issues, impacting its residents and the numerous schools in the area. This proposal needs to be reconsidered to ensure traffic is fairly distributed throughout the area, rather than creating high-pressure zones for some residents while a minority benefit from an LTN.

**Tamsin Ogilvie 2 weeks ago**

I am a local resident. I am enthusiastic about reducing pollution but I'd like more information please, so I can understand this proposal more fully. Thank you.

**Capucine Schegin 2 weeks ago**

Releasing the proposal on 8 July and setting a comment deadline of 18 August, during school holidays, is unfair. Residents need adequate time to review and understand the proposal. The impact of increased traffic on certain roads will be severe, with more congestion, noise, and pollution. Highgate West Hill, in particular, already faces daily traffic challenges affecting residents and nearby schools. Additionally, more speed bumps will exacerbate noise and pollution as drivers slow down and then accelerate rapidly. Please consider using speed cameras and chicanes instead. This proposal needs to be reconsidered to ensure traffic is fairly distributed, avoiding high-pressure zones for some while others benefit from the LTN.

**Grainne Jordan 2 weeks ago**

I knew nothing of this until today & understand even less having read the proposal. I demand access to detailed information & a proper right to reply

**N A 2 weeks ago**

This is the most brazen money-making scam, even by Camden and Islington's low standards.

**Giles Taylor 2 weeks ago**

I live in the affected area and it will increase fumes and noise in my street.

**Bev Jackson 2 weeks ago**

This proposed scheme would turn Highgate into a ghetto, wedged between near permanent daily traffic jams on Highgate Hill and on West Hill. It has no merit, and no democratic support, as well as being an unnecessary expenditure by Camden of Tax Payer's money at a time when the new Labour Government is (rightly) looking to make savings wherever it can. Add to that the body blow to the shops and schools within the ghetto – please, stop!!

**Claire Kilminster 2 weeks ago**

I live in the local area and believe the proposed changes will be catastrophic

**Laura Miller 2 weeks ago**

This is taking a sledge hammer to crack the people's ability to travel. What happens to the elderly and disabled who need carers and their families to have access? What happens to the 10 schools in the area where parents need to pick up children or be at school for emergencies and teachers also need to be able to park. (Shortage of teachers, anyone?) And the "consultations" were a travesty of their name.

Obviously the Council does not want to hear anyone's views except their own. It's a shame really, that those elected really are not interested in helping people, just hindering their freedom of movement. I wonder how many councillors use cars at any point in their lives?

**Layo Paskin** 2 weeks ago

I live in Highgate and these proposals are ill thought out and will benefit very few and create chaos for many.

**Liz Hill** 2 weeks ago

I would like to know more about the potential impact on neighbouring areas of this proposed scheme

**CELENE LEE** 2 weeks ago

With this proposal the Dartmouth Park Hill will be shut off. One of the wider streets in the neighbourhood. The proposal to close it off is put on a table without any data analysis explaining why such a drastic measure is being taken. Small traffic calming measures introduced to this road caused increasing traffic volume, pollution, speeding, HGVs on the next (and very similar road in terms of technicalities) street in the neighbourhood - Highgate West Hill. Its residents are put under a daily pressure of traffic related issues, but also weekly incidents of broken water pipes (that keep damaging the road which is prone to subsidence and had a sink hole opened in the past already) and gas pipes, making gas pull under our homes, pavement and street cavities - hence constant works on the street and gas manholes opened for constant airing. These damages are caused by the volume of traffic and HGVs which for some reason are now allowed to come on this road, despite that it is 7.5t restricted area. But Camden very handily removed the signs of the street few years ago. In short, I am against this proposal because it is creating two-tiered society in the neighbourhood. Where one road is closed because it was lobbied by a Councillor. And another is being pushed under the bus. The implications of traffic volume that will be sent onto Highgate Road, Highgate West Hill, Highgate village, North Hill - are far reaching. Somehow Camden has forgotten that these roads also have more than 10 big schools which were not consulted with and heard about this proposal from civic groups raising the concerns. And the increased traffic will increase air pollution exposure to more than 10,000 children on daily bases then they travel and return from schools or sit in their classrooms. The proposal needs to be rethought and traffic fairly distributed in the area rather than creating high pressure points for some residents while a minority will be enjoying LTN paradise.

**Tara Downey** 2 weeks ago

This is neither a green or useful proposal. It will have a monumental knock on effect and push traffic onto roads that can't cope currently

**Caron Dunkley** 2 weeks ago

Caron Dunkle

**Robert Dowd 2 weeks ago**

It does not help local people who straddle the suggested zones. The implications will increase traffic congestion by moving it onto other people.

**Frances Smith 2 weeks ago**

This will impact Highgate greatly. Will make Highgate Hill and High Street even busier than it is already. It will just move congestion and pollution. No need for this scheme.

**Ana Amores 2 weeks ago**

It is important and necessary

**Mark Peters 2 weeks ago**

Living in this area I am concern about the re-routing of traffic closer to existing residential areas and the lack of proper consultation process

**Chryso Groutides 2 weeks ago**

Absolutely insane, there will be no improvements to the area all you'll be doing is pushing traffic onto boundary roads, blocking our movements, and making our lives miserable. Making our lives harder just to use our car for work, school etc. Ridiculous. Hope this nonsense gets stopped. Will be the biggest mistake for the whole area . No consideration for locals and residents and businesses.

**Sue John 2 weeks ago**

With people on holidays it does not leave enough time for such a serious proposal.

**Ali Bird 2 weeks ago**

This council has a habit of extremely poor so called "consultation" over LTM's.

**Gillian Lethbridge 2 weeks ago**

Not long enough consultation in the school holidays and not enough detail give. About this scheme.

**Bruce Galley 2 weeks ago**

The consultation process is not working- half an hour meetng last wed with other noisy tables all around us- an insult to intelligence!

**Jo Philby 2 weeks ago**

**Celia Barnett 2 weeks ago**

I live here and I didnt hear about it

**Alison Duker 2 weeks ago**

We need more time as residents to absorb, reflect and comment on proposals that will dramatically change our roads and access.

**Ian White 2 weeks ago**

This scheme is a cynical attempt to move traffic from one area to another. no

**Jean-Charles Julien 3 weeks ago**

I live in an area that will be adversely affected with increased traffic and pollution.

**Nick Peake 3 weeks ago**

more consultation needed

**Esther Lane 3 weeks ago**

I live in the affected area and feel there needs to be more detailed traffic projection information provided for those roads where access changes are proposed.

**Jean murphy 3 weeks ago**

Needs more thought don't think this will work. You need to get people who actually live in the area to do this.

**Judy Corbalis 3 weeks ago**

I am very tired of Camden Counvil constantly pushing through decisions without proper consultation with residents.

**Oliver Spisak 3 weeks ago**

Whole scheme is nonsense orchestrated by keen marathon cyclists and his clique

**Kristina Armonaite-Ashton 3 weeks ago**

With this proposal the Dartmouth Park Hill will be shut off. One of the wider streets in the neighbourhood. The proposal to close it off is put on a table without any data analysis explaining why such a drastic measure is being taken. Small traffic calming measures introduced to this road caused

increasing traffic volume, pollution, speeding, HGVs on the next (and very similar road in terms of technicalities) street in the neighbourhood - Highgate West Hill. Its residents are put under a daily pressure of traffic related issues, but also weekly incidents of broken water pipes (that keep damaging the road which is prone to subsidence and had a sink hole opened in the past already) and gas pipes, making gas pull under our homes, pavement and street cavities - hence constant works on the street and gas manholes opened for constant airing. These damages are caused by the volume of traffic and HGVs which for some reason are now allowed to come on this road, despite that it is 7.5t restricted area. Somehow Camden has forgotten that these roads also have more than 10 big schools which were not consulted with and heard about this proposal from civic groups raising the concerns. And the increased traffic will increase air pollution exposure to more than 10,000 children on daily bases then they travel and return from schools or sit in their classrooms. The proposal needs to be rethought and traffic fairly distributed in the area rather than creating high pressure points for some residents while a minority will be enjoying LTN paradise.

**Janus Avivson 3 weeks ago**

I run the business from 49 Highgate High Street N6 and I am deeply concerned that changes to traffic in the area will not benefit my business

**kim roper 3 weeks ago**

I live in the area most affected.

**Thomas Harney 3 weeks ago**

It's totally wrong as it's bad now what's this going to do only make it worse.

**Rosalind Durant 3 weeks ago**

There is too much to discuss in too short a time

**Paul Dubois 3 weeks ago**

This consultation has been rushed through. It will impact not only Dartmouth Park but have a knock on effect into Archway Road: as well as Highgate High Street

**Julian Ashby 3 weeks ago**

It is unfair to have a major consultation when so many people are on holiday.

Harriet Evans 3 weeks ago

I'm just out of hospital and need some time for this

Bill Lang 3 weeks ago

Obviously needs more consultation

Amy Vosburgh 3 weeks ago

It's a ludicrous plan that will obviously adversely affect not only Dartmouth Park residents but all those in the surrounding areas.

laurie gabay 3 weeks ago

This is a discrimination against the sick, the disabled, the handicapped, the elderly who need service people to come to them or take them to places and this prevents free movement for these categories. I was refused post operation equipment delivery because of the LTN by the Red Cross who refuse to go anywhere where the LTNs are in operation. It is a disgrace

Lawrence O'Sullivan 3 weeks ago

I think you are getting what you deserve voting for a labour council then a labour government you don't stand a chance because there is no one to fight your corner This is only the start and why should you pay for the upkeep of these roads when you cant use them No doubt sadiq khan is involved somehow he wants the whole of London not driving anywhere

Rachel Rushbrook 3 weeks ago

The proposed changes would affect me a lot and I want more clear data about the proposition and it's impact

Carolyne Hodkin 3 weeks ago

I live nearby and this will impact me

Felicity Dobson 3 weeks ago

My goodness! This sounds a mess! At the very least the deadline must be extended!

Tracey Mc keever 3 weeks ago

IT IS A MYTH has no effect on the air but the congestion on the roads has trippled we have had it in place in London for 20 Years now Billions in revinew taken yet our air is more Toxic then ever thats why they wont do a report they take data from LOCKDOWN to cheat as its a BIG CON

**Pippa Rothenberg3 weeks ago**

The run in notice is over the summer holidays

**Murielle Porter-Weiss3 weeks ago**

We have LTNs in our area and they are a complete disaster, forcing the traffic on boundary roads causing congestion and more pollution on those roads. When there are roadworks on those roads, the restrictions are not lifted and therefore creating complete chaos causing long traffic queues and more pollution not to mention sheer misery.

**liz wharfe3 weeks ago**

These proposals will have a detrimental effect on residents of Dartmouth Park. There are no existing problems that will be solved by them.

**Joy Chamberlin3 weeks ago**

More people need to realise the implications and holding the deadline for objections in the summer holidays is not on

**carol malone3 weeks ago**

We don't want it ,

**Vicky Frew3 weeks ago**

More time is needed during summer break to consider proposals

**Deborah Marock3 weeks ago**

My street and access to my street will be impacted by what's being proposed. Camden and Islington councils have not consulted with Haringey Council adequately. They do not have data to show or predict knock on effects on neighbouring borough streets from the diverted traffic. The Greater London Authority needs to be involved as this is a multi-borough project and affects people, their homes and businesses in the wider area of North London. In addition the consultation is taking place in peak summer holiday period where people affected are away and where accurate data can't be gathered as schools are on holiday and therefore school traffic is non existent currently - there are multiple schools in the area and the traffic in school term time is vastly greater than in peak summer holidays.

**Emma Thomas3 weeks ago**

There needs to be a consultation on tjis leve of changes and there wasn't one other than in name. Please. Do a robust consultation.

**Charlotte ALDERSON3 weeks ago**

This proposal is not thought through. It is offloading traffic onto the boundary roads in the map, despite them already struggling with serious traffic issues (including volume) that have been raised with the council for years. What about our health? It will be to detriment of the area and community overall.

**andrew coker3 weeks ago**

LTNs are a total waste of people's time and an affront to our civil liberties.

**Tessa Henghes3 weeks ago**

This is not a good plan for the area.

**Nicky Kay3 weeks ago**

I live in Dartmouth Park and these traffic proposals are will have an adverse effect on our already quiet neighbourhood.

**Maeve Haran3 weeks ago**

I feel this plan is a serious mistake. Some of the important improvements could be made without major disruptions to usual life for local people.

**Martin Narraway3 weeks ago**

Traffic on the boundary roads will increase substantially (40%+) but these roads are ignored. Putting the survey out when many are thinking about or are on holiday is not acceptable. Give the residents time and include the boundary roads in your published analysis.

**eileen willmott3 weeks ago**

I signed already from the dpnf, but wifi been down for 8 days. Thanks, Eileen

**michelle hayslip3 weeks ago**

I need time to consider this proposal. Having only just become aware of it.

**veronica day3 weeks ago**

The residents have not had enough time to go through the proposed road changes which will profoundly affect their lives.

**JANE Fiori3 weeks ago**

I think the plans will cause far far more problems than solve - they need more thinking through and the planning team speaking clearly to all the inhabitants of the section re the implications .

**Catharine Wells** 3 weeks ago

I am signing because the name of this proposal is totally misleading as it covers and impacts on a much wider area than Dartmouth Park. Such a far reaching proposal should be consulted on when Schools are operating, outside hilday periods and residents have the chance to decide whether this scheme or any part of it is feasible. Highgate West Hill has white springs which cause frequent part closures and cannot take additional traffic. Swains Lane and Dartmouth Park Hill are historic routes in and out of London and should remain so.

**Kay Reynolds** 3 weeks ago

I am not only angry about the scheme and the impact it will have but also that Camden are behaving in a despicable way, as usual and deliberately keeping as many residents as possible in the dark!
