1. Purpose of Report

1.1 The committee has been set up with the following terms of reference:

- To scrutinise the Council's policies and the provision, planning, financing, management and performance of services relating to housing provided by the Supporting Communities Directorate and other service providers.

1.2 A draft committee workplan is attached to this report (Appendix A). The committee may wish to make further suggestions or amendments to the workplan for the year ahead.

2. Cabinet Forward Plan – Housing

2.1 The Committee is also invited to consider what, if any, forthcoming key Cabinet decisions it wishes to look at in advance of those decisions being taken.

2.2 The Forward Plan for the upcoming year 2024/25 was agreed by the Committee at the July 2024 meeting.

3. Panels

3.1 The Scrutiny Committee may establish a time limited, task focussed Panel. The Panel is chaired by a member of the committee and is able to request contributions and evidence about local housing services from a wider range of contributors including partners, expert advisors and local residents. A report is made by the Panel to the Scrutiny Committee on its findings at the end of its work. Updates are provided to the Committee by the Chair of the Panel whilst its work is ongoing.

3.2 Committee members are reminded of the constraints on Council resources at this time and have previously committed to run these Member-led panels with only limited officer support in order to ensure an efficient and cost-effective process.

4. Co-optees

4.1 In addition to council members, the committee has previously decided that three co-optees should sit on the committee. These arrangements are subject to annual review.

4.2 The Chair, in consultation with officers, will be seeking a new, co-opted member and will be making a recommendation to the Committee when available.

5. Action Tracker

5.1 The actions arising from the last meeting (July 2024) are attached at Appendix B.
