<b>Name of Project</b>	
<b>Project Category</b> (building works, communal improvement, H&S/Security, grounds mtn/garden,	Communal improvement: by painting entrance areas on both sides of the block and tidying up paint work on stair wells.
<b>Description of project</b> Painting 8 pillars (four on each side of the block) Painting metal handrail Painting 2x bin stores Removing flaking paint on metal panels on each floor of internal stairwells	
<b>Why is the project needed and desired outcome?</b>  This paintwork was done during major works project in 2009, so needs doing again. This will help improve the appearance of the entrance areas to Medway Court  The paintwork will be the same colour as metal plates around the bulk items area (that the DMC bid paid for previously), so will be colour coordinated.  This colour scheme takes the block back to the colours it was painted originally. And given that this work is part of our celebration to mark the 70 <sup>th</sup> anniversary of Medway Court this is important.	

Improving the general environment of communal areas will not only benefit residents. It will also make it less likely that drug takers will come in (as they do currently) some of whom intimidate and frighten residents - if the block look a bit smarter.
