<p><b>Description of project</b></p> <p>To rejuvenate the Medway Court community garden to commemorate the 70th anniversary of the block.</p> <p>Using the flora of river Medway estuary as inspiration, to create a Kentish fruiting hedgerow.</p> <p>Refurbish and revitalize the large, original, conical concrete planters to plant fruiting architectural plants.</p> <p>Introduction of a new planting scheme to make the garden a thriving community garden and asset.</p> <p>The addition of fresh compost to the raised beds and low maintenance flowering perennials with ground cover plants for continuous flowering throughout the summer while creating a natural mulch retaining moisture in the drought vulnerable raised beds.</p> <p>Installation of draped, solar powered hanging lights across the gazebos to</p>	

bring the garden to life in the evening

Site deep-clean

**Why is the project needed and desired outcome?**

The garden is looking tired and needs a new planting plan and tidy up.

This will achieve a more attractive area encouraging all residents to use the communal garden.
