Does any member of the deputation have access requirements? If so, please tell us what they are: No	
Have you submitted a deputation request to the Council before? If so, please give details: Yes, we have done deputations to both the Pensions Committee and to full Council meetings before on a number of occasions. The most recent one was to the July 2024 Pension Committee	

Please summarise below the key points you wish to make at the Council meeting (continue on a separate sheet if necessary):

A summary of the main points that we will focus on in our deputation include:

- At the full Council meeting earlier this year where a petition was received by the council about pension fund investment, the response was that the matter would be referred to the Pension Committee for consideration.
- There was a commitment to prioritise engagement on conflict zones, to develop an advanced human rights policy, to look to incorporating peace, justice and strong stewardship into Camden's investment beliefs, and to engage with Camden's fund managers to ensure that they are active in managing these risks and exposures.
- These are new issues not previously raised in Pension Committee meetings
- Because we are the main stakeholder in the LGPS – we pay in to it and we receive payments out of it – we believe that we should have some say about how our money is used and so want to be part of the discussion about these future decisions

We will also highlight some of the continuing issues:

- We continue to want ethical investment of our pension fund – both that directly managed by Camden and the London CIV – and to be involved in discussions about how that can be achieved
- We want a full and transparent audit and disclosure of investments – including regular reporting of investments so that progress can be measured
- We want specific immediate divestment from:
 - a. The arms industry
 - b. Companies profiting from war and occupation
 - c. The fossil fuel industry

GUIDANCE FROM THE COUNCIL'S [CONSTITUTION](#) *

Deputations and petitions

Anyone likely to be affected by a matter in which the authority has functions, or which affects that area of the authority, or some of it, or the inhabitants of that area, or some of them may ask that a deputation or a petition should be received by a meeting of the Council.

A deputation request should be made in writing to the Chief Executive (via the contact listed below) setting out the reason why the deputation should be received, by no later than 12noon, three working days before the meeting to which it relates.

The person making the deputation request shall indicate what the deputation is about, the number (no more than 7), names and addresses of the persons who will form the deputation, and the member of the deputation who will address the Council.

Requests to present petitions to Council will be considered in line with the Council's Petition Scheme (Part 5 of the Constitution).

The Mayor will decide whether the deputation or the petition is to be received or not, or whether the deputation or the petition should be heard by another body. In deciding whether or not to redirect a deputation or the petition to another body the Mayor will amongst other things consider whether the matter could benefit from an in-depth analysis which could not be provided at Council, whether it is of wide interest to the Borough and whether the deputation or the petition has already been aired recently at another Council body. A maximum of three deputations or petitions will be taken at each Council meeting with the Mayor deciding which to accept with an overall maximum time allocated to deputations and petitions of 30 minutes.

At the meeting

When called, the spokesperson or Petition Organiser may speak for three minutes. The Mayor will ensure that the remarks are relevant and that the speaker refrains from personal attacks.

Members may then ask questions of the deputation. Six minutes per deputation or petition is allowed for this, to include responses from the depute(e)s/petitioner(s).

After the deputation or petition has been heard the appropriate Cabinet Member or committee chair may respond in a speech no longer than three minutes.

No deputation or petition may appear before the Council again within the next three months on the same or a similar subject.
