Notes for Guidance

This application cannot be used to vary the licence so as to extend the period for which the licence has effect or to vary substantially the premises to which it relates. If you wish to make that type of change to the premises licence, you should make a new premises licence application under section 17 of the Licensing Act 2003.

1. You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable for the late night levy
2. Describe the premises. For example, the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place of consumption of these off-supplies of alcohol, you must include a description of where the place will be and its proximity to the premises.
3. In terms of specific regulated entertainments please note that:
 - Plays: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 500.
 - Films: no licence is required for 'not-for-profit' film exhibition held in community premises between 08.00 and 23.00 on any day provided that the audience does not exceed 500 and the organiser (a) gets consent to the screening from a person who is responsible for the premises; and (b) ensures that each such screening abides by age classification ratings.
 - Indoor sporting events: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000.
 - Boxing or Wrestling Entertainment: no licence is required for a contest, exhibition or display of Greco-Roman wrestling, or freestyle wrestling between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000. Combined fighting sports – defined as a contest, exhibition or display which combines boxing or wrestling with one or more martial arts – are licensable as a boxing or wrestling entertainment rather than an indoor sporting event.
 - Live music: no licence permission is required for:
 - a performance of unamplified live music between 08.00 and 23.00 on any day, on any premises.
 - a performance of amplified live music between 08.00 and 23.00 on any day on premises authorised to sell alcohol for consumption on those premises, provided that the audience does not exceed 500.
 - a performance of amplified live music between 08.00 and 23.00 on any day, in a workplace that is not licensed to sell alcohol on those premises, provided that the audience does not exceed 500.
 - a performance of amplified live music between 08.00 and 23.00 on any day, in a church hall, village hall, community hall, or other similar community premises, that is not licensed by a premises licence to sell alcohol, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance from a person who is responsible for the premises.
 - a performance of amplified live music between 08.00 and 23.00 on any day, at the non-residential premises of (i) a local authority, or (ii) a school, or (iii) a hospital, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance on the

relevant premises from: (i) the local authority concerned, or (ii) the school or (iii) the health care provider for the hospital.

- Recorded Music: no licence permission is required for:
 - any playing of recorded music between 08.00 and 23.00 on any day on premises authorised to sell alcohol for consumption on those premises, provided that the audience does not exceed 500.

 - any playing of recorded music between 08.00 and 23.00 on any day, at the non-residential premises of (i) a local authority, or (ii) a school, or (iii) a hospital, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance on the relevant premises from: (i) the local authority concerned, or (ii) the school proprietor or (iii) the health care provider for the hospital.
 - Dance: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 500. However, a performance which amounts to adult entertainment remains licensable.

 - any entertainment taking place on the premises of the school where the entertainment is provided by or on behalf of the school proprietor; and
 - any entertainment (excluding films and a boxing or wrestling entertainment) taking place at a travelling circus, provided that (a) it takes place within a moveable structure that accommodates the audience, and (b) that the travelling circus has not been located on the same site for more than 28 consecutive days.
4. Where taking place in a building or other structure please tick as appropriate (indoors may include a tent).
 5. For example state type of activity to be authorised, if not already stated, and give relevant further details, for example (but not exclusively) whether or not music will be amplified or unamplified.
 6. For example (but not exclusively), where the activity will occur on additional days during the summer months.
 7. For example (but not exclusively), where you wish the activity to go on longer on a particular day e.g. Christmas Eve.
 8. Please give timings in 24 hour clock (e.g. 16.00) and only give details for the days of the week when you intend the premises to be used for the activity.
 9. If you wish people to be able to consume alcohol on the premises, please tick 'on the premises'. If you wish people to be able to purchase alcohol to consume away from the premises, please tick 'off the premises'. If you wish people to be able to do both, please tick 'both'.
 10. Please give information about anything intended to occur at the premises or ancillary to the use of the premises which may give rise to concern in respect of children regardless of whether you intend children to have access to the premises, for example (but not

exclusively) nudity or semi-nudity, films for restricted age groups or the presence of gaming machines.

11. Please list here steps you will take to promote all four licensing objectives together.
12. The application form must be signed.
13. An applicant's agent (for example solicitor) may sign the form on their behalf provided that they have actual authority to do so.
14. Where there is more than one applicant, each of the applicants or their respective agents must sign the application form.

These hour are well beyond framework hours. Late night refreshment venues attract and keep customers spilling out of pubs and bars on the area. Kentish Town Road is very quiet past midnight and ambient noise levels are so low that even a normal conversation would reverberate and keep residents awake. There are no suitable conditions to mitigate this. I ask for hat the application is refused.

I am objecting on behalf of Kelly Street Residents Association (KSRA) to this application. Kelly Street is a residential side street off Kentish Town Road, not far from Domino's Pizza. We note that licensing permission for the current hours for Monday to Saturday nights is aligned with the Council's Framework Hours, which we support.. This application is to extend the hours on Friday and Saturday nights by half an hour to 1.00am, which will still also accord with the Council's new Framework Hours. However the unchanged closing

hour of midnight on Sunday nights will be half an hour later than the new Framework Hours for Sundays, and we ask that the closing hour on Sundays be 11.30pm to accord with the new Framework Hours. The Framework Hours help to protect residents from noise and disturbance associated with premises selling late-night take-aways. There is however a discrepancy on the application form. The closing hours applied for appear on p. 2 as midnight on Sunday to Thursday and 1am on Friday and Saturday, but on p. 12 as midnight on Monday to Friday and 1am on Saturday and Sunday. We assume the hours on p. 2 are correct, but this discrepancy needs to be corrected. We are also very concerned that the premises are in breach of the condition of their planning permission forbidding the sale of take-aways after 11pm. This breach has been reported and enforcement requested. However we do not now have any confidence that Domino's Pizza will abide by the conditions that would be attached to this licence. We cannot therefore support this application as it stands. Please keep us informed of its progress. Thank you, Rosemary Lewin Chair, KSRA

Data protection

No personal information you have given us will be passed on to third parties for commercial purposes. The Council's policy is that all information will be shared among officers and other agencies where the legal framework allows it, if this will help to improve the service you receive and to develop other services. If you do not wish certain information about you to be exchanged within the Council, you can request that this does not happen.

Conditions agreed with Licensing Authority

- Delivery drivers shall be given clear, written instructions to use their vehicles or motorcycles in a responsible manner so as not to cause a nuisance to any residents or generally outside the license premises; not to leave engines running when the vehicles/motorcycles are parked; and not to obstruct the highway.

Section 1: Background comments of the Borough Solicitor

- 1.1 The purpose of Camden's Statement of Licensing Policy is to make it clear to applicants that wider considerations will be taken into account when determining applications. It is intended to guide the Licensing Panel when considering licence applications. However, the Licensing Panel must always consider each application on its own merits and allow exceptions to the normal policy where the circumstances of the application justify allowing an exception. The burden is on the applicant to show that they comply with the policy.
- 1.2 Members should only address those matters that have formed the subject matter of relevant representations. Matters that arise that are not the subject of relevant representations fall outside the function that the Panel is exercising when it holds a hearing
- 1.3 Members must determine, having regard for the evidence, whether granting the application for a premises licence will impact adversely on the policy criteria listed in paragraph 3 of this report.
- 1.4 In accordance with the provisions of Part 1 of Schedule 5 of the Act, where a Licensing Authority rejects in whole or in part, an application for a new premises licence, the applicant may appeal against the decision, to a magistrate's court within 21 days of being notified of the decision.
- 1.5 Similarly, where a person who made relevant representations in relation to the application contends that the licence ought not to have been granted, or that different or additional conditions should have been imposed on the licence, he may appeal against the decision to a magistrate's court within 21 days of being notified of the decision.
- 1.6 **The Human Rights Act 1998** incorporates the key articles of the European Convention on Human Rights into domestic law. Decisions on licensing matters are actions of a public authority and must be compatible with Convention rights. Consequently, Members of the Panel must be aware of the rights contained in the Convention (particularly those set out below) when making licensing decisions.
 - (a) **Article 6: Right to a fair trial**
In the determination of his civil rights and obligations, everyone is entitled to a fair and public hearing within a reasonable time by an independent and impartial tribunal established by law.
 - (b) **Article 8: Right to respect for private and family life**
Everyone has a right to respect for his or her private life, his home and correspondence.

(c) **Article 1 of the First Protocol: Protection of property**

Every natural or legal person is entitled to the peaceful enjoyment of his possessions, including a licence. No one shall be deprived of his possession except in the public interest and subject to the conditions provided for by law and by the general principles of international law.

(d) **Article 10: Freedom of Expression**

Everyone has the right to freedom of expression. This right shall include freedom to hold opinions and to receive and impart information and ideas without interference by public authority and regardless of frontiers. This Article shall not prevent States from requiring the licensing of broadcasting, television or cinema enterprises.

The exercise of these freedoms since it carries with it duties and responsibilities may be subject to such formalities, conditions, restrictions or penalties as are prescribed by law and are necessary in a democratic society, in the interests of national security, territorial integrity or public safety, for the prevention of disorder or crime, for the protection of health and morals, for the protection of the reputation or rights of others, for preventing the disclosure of information received in confidence, or for maintaining the authority and impartiality of the judiciary.

(e) **Article 14: Prohibition of discrimination**

The enjoyment of the rights and freedoms set forth in this Convention shall be secured without discrimination on any ground such as sex, race, colour, language, religion, political or other opinion, national or social origin, association with a national minority, property, birth, or other status.

- 1.7 When formulating policy local authorities must have regard to the **Equality Act 2010**. The Act provides protection from discrimination in respect of certain protected characteristics, namely: age, disability, gender reassignment, pregnancy and maternity, race, religion or beliefs and sex and sexual orientation. It places the Council under a legal duty to have due regard to the advancement of equality in the exercise of its powers including licensing powers. Members of the panel must be mindful of this duty when determining all licensing applications.

The section 149 Public Sector Equality Duty

(1) A public authority must, in the exercise of its functions, have due regard to the need to—

- (a) eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under this Act;
- (b) advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it;
- (c) foster good relations between persons who share a relevant protected characteristic and persons who do not share it.

(2) A person who is not a public authority but who exercises public functions must, in the exercise of those functions, have due regard to the matters mentioned in subsection (1).

(3) Having due regard to the need to advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it involves having due regard, in particular, to the need to—

- (a) remove or minimise disadvantages suffered by persons who share a relevant protected characteristic that are connected to that characteristic;
- (b) take steps to meet the needs of persons who share a relevant protected characteristic that are different from the needs of persons who do not share it;
- (c) encourage persons who share a relevant protected characteristic to participate in public life or in any other activity in which participation by such persons is disproportionately low.

(4) The steps involved in meeting the needs of disabled persons that are different from the needs of persons who are not disabled include, in particular, steps to take account of disabled persons' disabilities.

(5) Having due regard to the need to foster good relations between persons who share a relevant protected characteristic and persons who do not share it involves having due regard, in particular, to the need to—

- (a) tackle prejudice, and
- (b) promote understanding.

(6) Compliance with the duties in this section may involve treating some persons more favourably than others; but that is not to be taken as permitting conduct that would otherwise be prohibited by or under this Act.

1.8 In determining any application, the Council must comply with the public sector equality duty in s.149 of the 2010 Act. This is a duty to have regard to the need to achieve the statutory goals of s.149, rather than to achieve a particular result. The s149 duty sits alongside and does not override statutory requirements in relation to determining licensing applications, including the duty to consider all evidence on its merits and the legislative criteria listed at paragraphs 3 & 4.

1.9 When members have before them representations or other material on issues relevant to s149, even outside the scope of “standard” licensing considerations such material must still be specifically assessed in the context of s149. However, because s149 creates a requirement to “have regard” the fact a matter raised is relevant to s149 will not automatically translate into a reason for refusing an application that would be sustainable in any subsequent appeal, given the legal requirement to determine applications in compliance with licensing legislation.

Section 2: Financial Comments

- 2.1 Following consideration there are no financial implications concerning this application. The Executive Director Corporate Services has been consulted in the preparation of this report and has no further comments to add.
