3. General information about planning the work programme

- 3.1 The work programme should be informed by the corporate priorities of the Council, the priorities of the relevant portfolio holders, and issues raised by Camden's communities.
- 3.2 The following prioritisation criteria has been considered as a good practice approach to supporting the ruthless prioritisation of individual scrutiny committee agenda items:
- Will improve outcomes for residents and local communities and/or value for money;
 - Is of significant relevance to residents and local communities;

The Committee is asked to review the contents of the work programme and provide their views on what the Committee may wish to discuss during the 2025/26 municipal year. There may also be matters that emerge during the year that warrant amendments to the programme.

4 Scrutiny Panels
