Subject: Late submission - Charlotte Street Magazines, 66 Charlotte Street, London, W1T 4QE – Thursday 5th February 2026

Dear Licensing Committee Team

Please find attached a late submission in support of our representation for this application: **Charlotte Street Magazines, 66 Charlotte Street, London, W1T 4QE** which will be heard at **7pm Thursday 5th February 2026**.

I attach:

- * a document in support of our representation
- * a spreadsheet with a list of licensed premises (originally supplied by the licensing team in response to an FOI request)
- * a copy of an email about the number of licensed premises in Fitzrovia East.

I would be grateful if this late submission is accepted in support of our representation and passed on to the applicant in advance of the hearing.

I will be attending the hearing and have already submitted my attendance form.

Regards

Linus Rees

66 Charlotte Street - late submission ahead of hearing

This is the third application by the same applicant that our association has responded to for this premises within the last nine months. Before 2025 the shop did not have any history as a licensed premises. It has for many decades traded as a shop selling newspapers and magazines along with soft drinks and sweets.

In May 2025 the applicant asked Camden for a new premises licence APP\PREMISES-NEW\128149 to sell alcohol from 8am to 5pm Monday to Saturday.

Our association objected to the application but after a negotiation we came to an agreement on conditions and we withdrew our representation. Camden subsequently granted a premises licence PREM-LIC\128148 for the hours asked for.

A “minor application” (APP\PREMISES-MVARY\130834) to vary this licence was then submitted in September 2025 to extend the hours to 11pm. We objected to the application as we did not consider it constituted a “minor variation” and also on the grounds of increased public nuisance. That application was either withdrawn or rejected.

A third application (the current application) was submitted as a “major variation” in November 2025 with reference APP\PREMSIES-VARY\132299. This application seeks to extend the hours until 11pm from Monday to Saturday and in addition seeks to sell alcohol on Sundays from 8am to 11pm.

We objected to this application because it would increase public nuisance by way of noise nuisance for residents living in the area. As the neighbourhood already has a large number of licensed premises granting an extension of hours would have a cumulative negative impact on local residents.

The applicant’s representative got in touch with us with a view to discussing the application and possibly coming to an agreement. I arranged an online meeting and we had a pleasant discussion for 30 minutes on 19 December but we did not come to an agreement.

I informed the applicant’s representative and Camden’s licensing team on Monday 22 December 2025 that we would be maintaining our objection and that a hearing would be necessary.

Our concern is the extension of alcohol sales hours into the evening would have a negative cumulative impact on people living in the area due to the already large number of licensed premises operating in the area.

In 2019 there were 179 venues with a premises licence in Fitzrovia East and in 2023 this had increased to 221, according to Camden’s Licensing department. A 20 percent increase (see attached sheet). For the borough as a whole there were 1869 active premises licenses in 2020 and 1968 in 2021 - about a 5 per cent increase (Licensing committee 27 July 2021).
