## Polling district amendments

Amendments to the polling districts will take effect on the publication of the electoral register on 2 January 2022.

### Thornton Heath

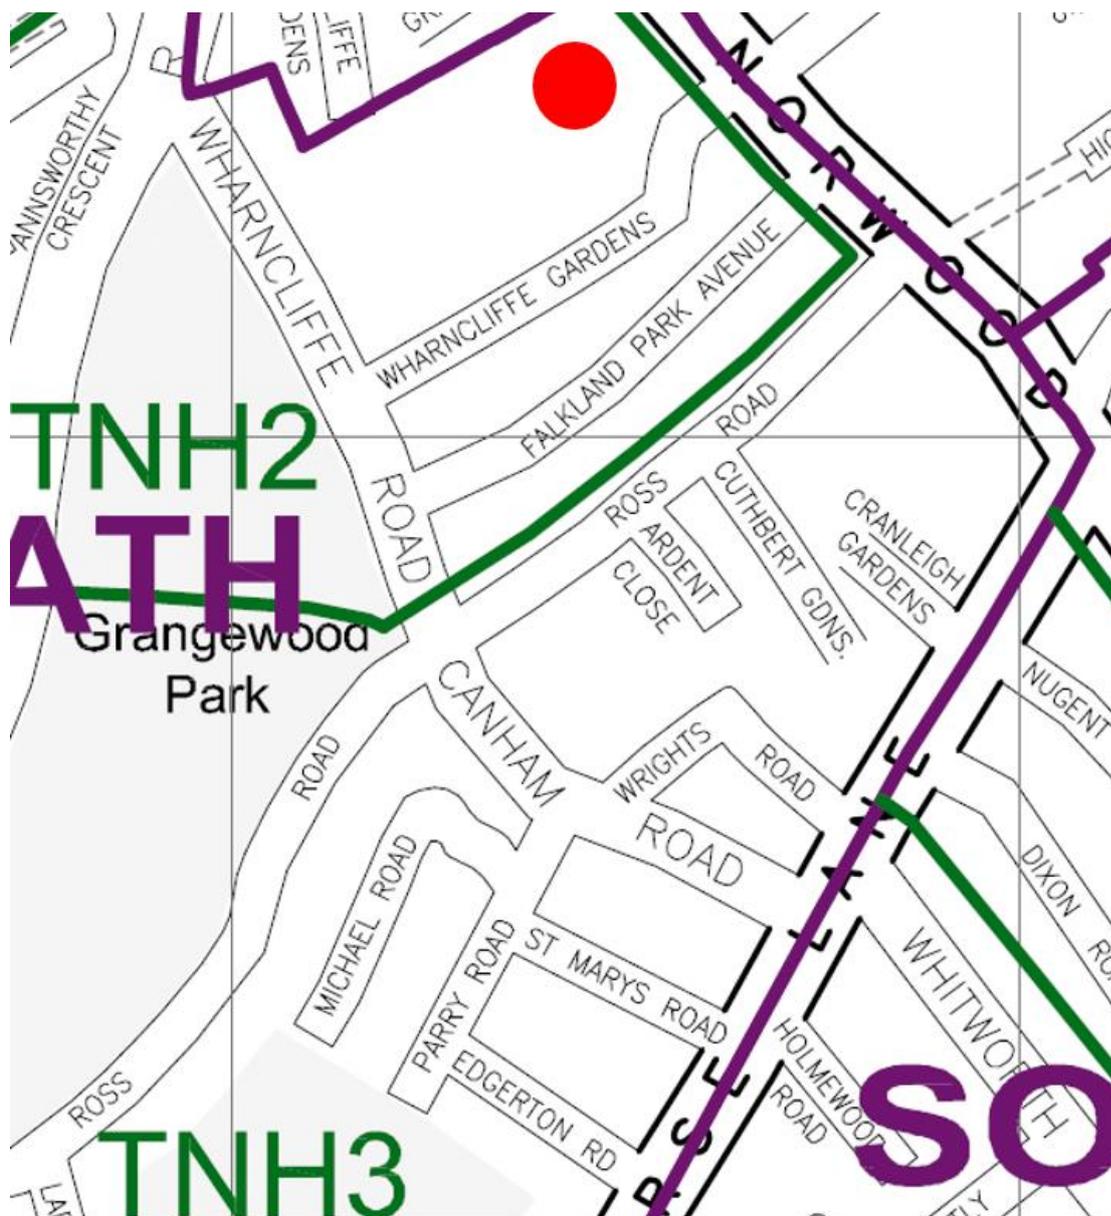

Dairy Close, Osborne Gardens, Osborne Road and Garratt Close move from TNH1 to TNH6 polling district and electors in these streets will vote at Beulah Family Church which will be a more convenient for location for them.

## Thornton Heath

A new Polling District (TNH7) will be created for electors living close to South Norwood Hill. Falkland Park Gardens, Warncliffe Gardens, and Warncliffe Road will be moved from TNH2 Polling District, and Ardent Close, Canham Road, Cranleigh Gardens, Cuthbert Gardens, Ross Road, South Norwood Hill, Wrights Road, and Whitehorse Lane (between Canham Road and South Norwood Hill) will be moved from TNH3 Polling District into the new district.

This change will only be made if the planned assessment of Spurgeons College, South Norwood Hill confirms that it is a suitable location for a polling place. If it is unsuitable or unavailable this change will not be made to the register in January 2022.

## Coulsdon Town

Chipstead Valley Road, Edward Road, Leaden Hill, Lion Green Road, Malcolm Road, Station Approach, Station Approach Road, Victoria Road and Brighton Road south of the railway line will move from CTN2 to CTN6 polling district and electors in these streets will vote at Coulsdon Library.
