

Children & Young People Scrutiny Commission 16th March 2026 Item 7 - Behaviour Management & School Inclusion	Item No 7
---	---------------------

Outline

The Commission concluded evidence gathering for its review of Behaviour Management and School Inclusion on January 22nd 2026. The Commission is in the process of collating evidence from:

- Public evidence gathering session;
- Call for Evidence Survey;
- Focus groups with stakeholders.

Although data analysis and drawing of conclusions from the evidence is ongoing, the Commission has developed a number of high level outline recommendations for member discussion. The Commission is preparing a final report for completion before the end of the municipal year 2025/26.
