1. The number of appeals of the Medical Needs Assessment process - and how many of these have been successful? (For brevity - perhaps just the last full financial / calendar year);
2. The number of successful home swaps/ transfers for households moving out of borough (For brevity - perhaps just the last full financial / calendar year);
3. Further data on [Disabled Facilities Grant](#) uptake and usage in Hackney? *What is the value of grants available locally - is this a fixed annual pot? The report suggests that the Disabled Facilities Grant is being updated - can officers set out what changes are being implemented? Are families of children with SEND utilising this grant?*
