

CABINET PROCUREMENT & INSOURCING COMMITTEE

Addendum to Report

HCE S697 Property Asset Management [PAM]- Planned External Works 26/27 Business Case

Amendment to Terminology

References to “outsourcing” within the report have been amended throughout to reflect the procurement of Planned External Works via existing framework arrangements.

This amendment clarifies that the procurement is being undertaken by the Council in accordance with its governance processes, with external contractors appointed to deliver the works.

Amendment to Recommendations

The recommendations have been updated to reflect the revised terminology and now refer to the procurement of Planned External Works.

There is no change to the procurement route, contract value, delivery model, or overall intent of the report.

All other aspects of the report remain unchanged.
