159 Aylestone Lane, Wigston

Planning application for approval of a proposed front porch extension. The porch projects 1.58m by 2.36m to the front and will have a front-facing gable design with an eaves and ridge height of 2.70m and 3.52m, respectively. The proposal involves extending the bay window canopy across to join with the porch. The proposal will be constructed out of materials to match those of the existing dwelling and will feature the entrance door on the side of the porch.
