1 Recommendations

- 1.1 That the DRAFT Health and Adult Social Care Scrutiny Board Work Programme 2024/ 25 (Appendix 1) be approved.
- 1.2 That the Health and Adult Social Care Scrutiny Board establish a working group(s) and the membership thereof.
- 1.43 That the Board considers whether any changes or additions are required to its work programme and in doing so, has regard to the Prioritisation Tool (Appendix 2).

2 Reasons for Recommendations

- 2.1 The Board is asked to approve its work programme for 2025 /25 taking into account where scrutiny can add value, strengthen decision making to enhance services that the Council delivers and aligns to the Vision 2030 and objectives of the Corporate Plan.

3 How does this deliver objectives of the Corporate Plan?

		<p>The scrutiny function supports all of the objectives of the Corporate Plan by seeking to improve services for the people of Sandwell. It does this by influencing the policies and decisions made by the Council and other organisations involved in delivering public services.</p> <p>Effective governance arrangements support the delivery of all corporate objectives</p>
		
		

4 Context and Key Issues

- 4.1 The relevant Directors were invited to attend a training and work programming session on 8 July 2024 for overview and scrutiny members. This included an overview of the services, key issues and priorities relevant to the Board’s terms of reference.
- 4.2 A list of items identified during the year for scrutiny, pre-decision items and any suggestions received from the public were considered during the work programming events by the individual Scrutiny Boards.

5 Alternative Options

- 5.1 If the Scrutiny Board does not determine a work programme, the opportunity to review policies and services will not be realised meaning that improvements, savings and income generation possibilities may be missed.
