2 Reasons for Recommendations

Budgetary control, which includes the regular monitoring and reporting of budgets is an essential element in discharging this statutory responsibility.
- 2.2 At its meeting on 11th September 2024, the Cabinet considered the Quarter 1 Budget Monitoring Report for the 2024/25 financial year and referred the report to the Budget and Corporate Scrutiny Management Board for consideration and comment.

4 Context and Key Issues

- 4.1 Budget monitoring reports are produced quarterly for Cabinet and the budget position is reported monthly to Leadership Team, highlighting the anticipated year end projection.
- 4.2 The monitoring reports track progress against agreed budget decisions, consider any budget changes (including re-profiling of Capital), forecast any significant variances to the budget, and enable corrective action to be taken as necessary to ensure a balanced budget at year end.
- 4.3 Regular financial reporting is part of the governance and risk management approach within the Council, ensuring that it delivers sustainable and value for money services as required under statute.
- 4.4 The Budget and Corporate Scrutiny Management Board has been asked to consider the Quarter 1 Budget Monitoring Report 2024/25, in the context of paragraphs 2.1 and 4.1-4.3 above, providing comment and recommendations to Cabinet as it sees fit.
