

DC/24/69621

Additional list of conditions

- xxix) Before the development is first occupied, details of the parties responsible for the maintenance of the proposed surface water system including name, contact details and addresses shall be submitted to the local planning authority. Any changes of this responsibility shall be provided in writing to the local planning authority throughout the lifetime of this development.

- xxx) Before the development commences, a surface water construction environment management plan (CEMP) outlining how surface water will be managed throughout the construction phase shall be submitted to and approved by the local planning authority.

- xxxi) The development shall be built in accordance with the approved CEMP.
