

# Report to Economy, Skills, Transport and Environment Scrutiny Board

**19 March 2025**

<b>Subject:</b>	Severn Trent Water Investment Plans 2025-2030
-----------------	---

## 1 Recommendations

That the Board considers and comments upon Severn Trent Water's investments plans for 2025-2030.

## 2 Reasons for Report

In December 2024 Ofwat approved Severn Trent's investment plans for 2025-30. Representatives from Severn Trent will present their detailed plans to the Board and what they mean for Sandwell.

## 3 How does this deliver objectives of the Council Plan?

Growing Up in Sandwell	The effective management of surface water and wastewater, and the provision of clean water is essential for the health and well-being of residents and contributes to all objectives within the Council Plan.
Living in Sandwell	
Thriving Economy in Sandwell	
Healthy in Sandwell	
One Council One Team	

## 4 Context and Key Issues

- 4.1 Severn Trent Water predominantly provides wastewater management and drainage services in Sandwell. It is also responsible for providing drinking water to a small proportion of Sandwell's population.
- 4.2 Severn Trent is planning to invest £15billion across the Midlands by 2030 and will outline to the Board the broad detail on how this will be spent and the impact in Sandwell.

## 5 Implications

<b>Resources:</b>	The implications of the investment proposals for Sandwell will be shared and discussed at the meeting.
<b>Legal and Governance:</b>	
<b>Risk:</b>	
<b>Equality:</b>	
<b>Health and Wellbeing:</b>	
<b>Social Value:</b>	
<b>Climate Change:</b>	
<b>Corporate Parenting:</b>	

## 6 Appendices

None.
