- Residents – Slough Poverty Forum, Pakistani Welfare Association, Chalvey Hub & Britwell Hub.

2.5 Support and guidance from the Health & Wellbeing board in identifying to suitable outreach engagement opportunities with the above stakeholders is required.

2.6 Initial conversations with Healthwatch have begun around possible opportunities to consult effectively with residents on the development of the JLHWs.

## Background

2.7 The Health & Wellbeing Board has a duty to deliver a JLHWSs to improve the health and wellbeing of the local community and reduce inequalities for all ages.

2.8 JLHWSs should set out a small number of key strategic priorities for action, that will make a real impact on people's lives.

2.9 JLHWSs should translate evidence and data findings into clear outcomes that the Health & Wellbeing board wants to achieve, which will inform local

commissioning – leading to locally led initiatives that meet those outcomes and address the needs to improve healthy life expectancy and tackle inequalities.

### **3. Implications of the Recommendation**

#### **3.1 Health and Well-being Board and Partners Implications**

3.1.1 The continued development of the JLHWSs is a shared responsibility among the Health and Wellbeing Board and its partners. Their ongoing support and active engagement is key to ensuring that the final strategy aligns with real priorities and delivers meaningful impact to effectively support the health and wellbeing of Slough residents.

#### ***3.2 Equality implications***

3.2.1 The equality implications of a JLHWSs strategy are critical in ensuring that the strategy promotes fair access, reduces health inequalities, and improves outcomes for all residents.
