

Typical retail prices of petroleum products excluding VAT and duty

APPENDIX H

Blank cells represent either times when there was no change in VAT or duty or are periods between time aggregations. The aggregation is recorded in the final month of the period. 4 star/LRP time series ended in August 2005, ULSP to ULSD differential started in February 2008.

An r indicates revised data. An r in the date column indicates all data in the column has been revised. An r in a cell indicates that just that cell has been revised.

Freeze panes are turned on. To turn off freeze panes select the 'View' ribbon then 'Freeze Panes' then 'Unfreeze Panes' or use [Alt,W,F]
