Subject: Street Trading Consent

Categories:

Hi,

I have recently received a letter in the mail regarding the application for a street trading consent. This is for the sale of pizza, burger, wraps, soft drinks baguettes sandwiches on 217a Bath Road, Slough SL1 4AA.

I would like to voice my concerns as I am against this business. As I live in the area, I don't want to see an increase in litter or loitering which tends to follow suit of these street businesses. I can see there is already a food van that's been trading at this exact location for the past month or so.

Thank you,
