Application for Street Trading Consent - Matalan Car Park 217a Bath Road, Slough

Categories:

Dear Melanie,

Your letter dated 11 June 2025 refers:

I am writing to formally express **my strong objection to any street trading activity adjacent to my apartment at Matalan.**

As residents of Atria, we are already enduring ongoing inconvenience due to a builder at the rear of our building who repeatedly violates regulations by working on Saturdays after 1pm, Sundays, and bank holidays. This has significantly disrupted the peace and quiet we expect in our living environment.

Furthermore, the immediate area outside our apartment has become unsightly and problematic, partly due to a Chinese trading van operating less than 50 metres from our building. This setup is not only highly disruptive to live next to, but it also raises serious safety concerns, particularly due to the lack of adequate parking and the congestion it creates along Bath Road.

Given these issues, I strongly oppose any proposal to allow street trading in the Matalan Car Park. I respectfully urge the relevant authorities to take residents' concerns into account and maintain the integrity and safety of our neighbourhood.

Thank you for your attention to this matter.
