

**Committee:** Planning Committee  
**Date:** 21 August 2024  
**Title:** Quality of Major Applications  
**Author:** Dean Hermitage

---

### **Purpose**

1. To report to Planning Committee the applications that have been considered both as Delegated and at Planning Committee which contribute to the data considered by DHLUC as to whether a Local Planning Authority falls within the criteria to be designated.
2. There are four criteria where a Local Planning Authority may be designated - Quality Major; Quality Speed; Quality Non-Major and Speed Non-Major.
3. This report specifically considers the Quality of Major Applications and covers the period 2017 - 2024. The Quality of Major Applications is for decisions made within a two-year period with appeal decisions up to and including the 31 December of the two-year period.
4. Therefore, the periods covered in this report are as follows:
  - April 2017 - March 2019 (*appeal decisions made by 31/12/2019*)
  - April 2018 - March 2020 (*appeal decisions made by 31/12/2020*)
  - April 2019 - March 2021 (*appeal decisions made by 31/12/2021*)
  - April 2020 - March 2022 (*appeal decisions made by 31/12/2022*)
  - April 2021 – March 2023 (*appeal decisions made by 31/12/2023*)
  - April 2022 – March 2024 (*appeal decisions made by 31/12/2024*)
5. The Planning Advisory Service provided each Local Authority with a 'Crystal Ball' (basically a spreadsheet) where the data can be added each month/quarter to monitor whether there is any risk of designation.
6. Below shows the periods from April 2017 within the two-year DLUHC monitoring periods. To note – Apr 2022 – March 2024 has now been updated to reflect DLUHC guidance whereby decisions and appeals for variation/removal of conditions are not taken into consideration in respect of Quality Performance.
