

**Uttlesford District Council**

**Full Council meeting 22 April 2025**

**Member Motion on Local Government Reorganisation**

To be proposed by Cllr Sell; Seconder Cllr Silcock

This Council believes that:

- i) local government reorganisation should ensure that decision making is made at the lowest possible level.
- ii) It further believes that it is essential to keep the local in local government.
- iii) That local government reorganisation should ensure a greater role for town and parish councils.
