

How should the Council sort out transport to meet your needs?

What this is about	
	<p>The law says that the Council needs to support people with certain needs.</p>
	<p>The Council does this through supporting people to go to day centres and other places.</p>
	<p>People sometimes need help to get to these places.</p> <p>The Council hasn't got an agreed way to do this. We want to set one up. We will then write it down in a booklet called a policy.</p>
	<p>We want to know what you think about the policy.</p>
