

GENERAL SCHEME OF DELEGATION

1. INTRODUCTION

1.1 Principles

This scheme of delegation (the Scheme) is based on the following principles:

- Decisions need to be taken as near to the point of service delivery as possible;
- Managers and staff need to be empowered but accountable and responsible;
 - Delegated powers must be exercised in accordance with the Council's Constitution including all Procedure Rules in Part 8, any legislative responsibilities and/or relevant Council policies and procedures;
- Managers and staff must have authority to act in line with their levels of responsibility within the organisation;
- All existing and newly appointed managers and staff must be advised in writing of their personal levels of delegated authority by their Directorate (this can be by provision of copies of the relevant documentation);
- Service Heads must ensure that this Scheme is fully implemented, monitored and reviewed and any changes required are reported to the Director of Governance.

1.2 Scope

- 1.2.1 The Scheme is additional to any delegations to officers contained in the Council's Constitution. This Scheme is not part of the Council's Constitution but is published alongside it for ease of access.
- 1.2.2 The Scheme covers delegations for executive and non-executive functions within the areas of finance, personnel, contracts, committee work, partnerships and legal proceedings.
- 1.2.3 It applies to all services and officers within the Council without exception.
- 1.2.4 Cabinet or Council must approve variations to this Scheme depending on whether the functions delegated and to be varied are executive or non-executive functions under the Local Government Act 2000.
- 1.2.5 The Scheme will be superseded in any case where a Council or Cabinet decision expressly delegates any of the powers in this Scheme to a specific officer or officers whether for a single event, decision or transaction or permanently.

1.3 Personal Conduct

- 1.3.1 Managers and staff are expected to act with the highest integrity and must not put the Authority's interests or assets at risk. They must not allow their private interests to conflict with their work responsibilities and they must comply with the requirements of the Code of Conduct. All staff are expected to know the principles of the scheme and the specific requirements set out below.
- 1.3.2 All staff authorised under this Scheme are expected to know and must comply with Council procedures and the law.

2. SCHEDULE OF DESIGNATIONS

6	Chief Executive, Deputy Chief Executive and Strategic Directors
5	Corporate Directors and Divisional Directors
4	Deputy Directors and Assistant Directors
3	Heads of Service

- 2.1 Level 2-6 officers may exercise the powers delegated to officers at a lower category within their Directorate or service, as the case may be.
- 2.2 The Chief Executive may exercise any of the powers delegated to officers in this Scheme, save where prohibited by law.
- 2.3 In the absence, for whatever reason, of an officer with delegated powers under this Scheme, his/her powers may be exercised by any post holder within his/her service or directorate within a higher category or to any officer designated to perform the duties of the absent post holder.
- 2.4 Level 6 officers are responsible for maintaining and regularly reviewing a Directorate scheme of delegations, which identifies each officer in the above categories. A copy of the Directorate's Scheme of Delegation must be provided to the Chief Finance Officer (Strategic Director Resources) and Monitoring Officer (Director of Governance and Law).
- 2.5 Level 6 and 5 officers may further delegate their powers under this Scheme to officers within their Directorate/Service but must ensure that any such delegation

is in writing and is subsequently included in the Directorate's scheme of delegations and the Director of Governance and Law is notified in writing.

3. PUBLICATION OF OFFICER DECISIONS

3.1 Mandatory Publication of Officer Decisions

3.2 To comply with the Local Authorities (Executive Arrangements) (Access to Information) (England) Regulations 2012 (the Regulations), the following decisions must be published in accordance with this rule:

3.2.1 Decisions made following a specific delegation from the executive in a meeting (whether from the Cabinet collectively, a Cabinet committee or an individual portfolio holder);

3.2.2 Subject to paragraphs 3.7 and 3.8 below, other delegated decisions where, due to the circumstances of the decision, it would be beneficial to publish the decision in accordance with this rule. Reasons for publication under this sub-section may be due to the sensitivity or importance of the decision or its impact on the Council, service users and/or residents. Advice should be sought from Democratic Services before making this decision.

3.3 Where a decision must be published, the form at Appendix A must be completed and be made available for public inspection and put on the Council's website as soon as is practicable after the decision. Democratic Services can advise on the specific process of publication and an electric form or a copy of any notice must be sent to Democratic Services as soon as the decision is made.

3.4 Where an officer decision is also a key decision, the additional publication requirements for key decisions must be complied with (see the Access to Information Rules, Part 8, Constitution).

3.5 A copy of the decision notice must be held for six years from the date of the decision and background documents must be held for four years.

3.6 Exemptions from Publication

3.7.2 Decisions made in performing statutory functions, e.g. "proper officer" roles, monitoring officer, chief finance officer and head of paid service. NB this applies only to the statutory functions of any posts, not all their duties.

- 3.8 The presumption is that all decisions not covered by this Rule must be published unless an exemption applies. There is no requirement, however, to publish confidential and exempt information as defined by the Regulations and as set out in the Access to Information Rules in Part 8 of the Council's Constitution. This may apply to the whole or part of the record of a decision and officers should note that there are very specific definitions of "confidential" and "exempt" information.

- 3.12 Any duties or powers in the Regulations to take any steps to publish decisions or other information may also be discharged by the Director of Governance and Law (including his/her nominee).
- 3.13 The power to determine whether or not an individual executive member should be granted a dispensation in respect of any conflict of interest they have declared in respect of the decision is delegated by the head of paid service to the monitoring officer or his/her nominee (regs. 12(2), 13(2)(e) and (4)(e)).
